Office of the Secretary

[Docket Nos. RM02-4-001 and PL02-1-001; Order No. 630-A]

Critical Energy Infrastructure Information (CEII); Filing Instructions for Non-Internet Public, CEII, or Privileged Material

Revised August 8, 2003.

On July 23, 2003, the Commission issued Order No. 630-A, a Final Rule on Rehearing of Order No. 630. The order requires that persons filing information that warrants special treatment as Non-Internet Public, CEII, or Privileged must separate the information into clearly marked volumes. The order also directs the Secretary of the Commission to provide instructions for submitting information in these categories. This document sets forth those instructions.

The Federal Energy Regulatory Records Information System (FERRIS) is the Commission's online document management system for all documents filed with or issued by the Commission, except those under a Protective Order. The Commission incorporates into FERRIS descriptive information about each document, and provides either full or limited access to the document depending on whether the document contains Non-Internet Public, CEII, or Privileged material.

Persons filing information that warrants special treatment as Non-Internet Public, CEII, or Privileged must organize the information as follows:

1. Separate Public, Non-Internet Public, CEII, and Privileged material into clearly-marked binders or separate sections.

2. Insert a page in the Public volume/section at each place where Non-Internet Public, CEII, or Privileged material has been removed. The page must identify the volume or section containing the removed material.

3. The first page of each volume or section (cover sheet) must include information sufficient to identify the filer, title of the submission, volume number (e.g., Vol. 1 of 4) and a description of the material contained therein. Stamp or clearly mark all pages that are Non-Internet Public or CEII with the applicable designation (refer to the attached table). The cover sheet for each volume or section also must be stamped or marked accordingly.

4. Submit the following number of copies of each volume or separate section:

a. *Public*: Original + Required number of copies.

b. *Non-Internet Public*: Original + Required number of copies.

c. *CEII*: Original + two copies.

d. *Privileged*: Original only. Refer to the applicable Commission regulation for the required number of copies.

5. Do not submit documents containing Non-Internet Public, CEII, or
