

included in the pilot project. If you are an applicant under the Title III, Part A Programs, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-Application) portion of the Grant Administration and Payment System (GAPS). Users of e-Application will be entering data on-line while completing their applications. You may not e-mail a grant application to us. If you participate in this voluntary pilot project by submitting an application electronically, the data you enter on-line will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in e-Application, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format. When you enter the e-Application system, you will find information about its hours of operation.
- You may submit all documents electronically, including the Application for Federal Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- After you electronically submit your application, you will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).
- Within three working days after submitting your electronic application, fax a signed copy of the Application for Federal Assistance (ED 424) to the Application Control Center after following these steps:
  - (1) Print ED 424 from the e-Application system.
  - (2) The institution's Authorizing Representative must sign this form.
  - (3) Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.
  - (4) Fax the signed ED 424 to the Application Control Center at (202) 260-1349.
- We may request that you give us original signatures on all other forms at a later date.

• **Closing Date Extension in Case of System Unavailability:** If you elect to participate in the e-Application pilot for the Title III, Part A Programs and you are prevented from submitting your application on the closing date because

the e-Application system is unavailable, we will grant you an extension of one business day in order to transmit your application electronically, by mail, or by hand delivery. For us to grant this extension—

- (1) You must be a registered user of e-Application, and have initiated an e-Application for this competition; and
- (2)(a) The e-Application system must be unavailable for 60 minutes or more between the hours of 8:30 and 3:30 p.m., Washington, DC time, on the deadline date; or
- (b) The e-Application system must be unavailable for any period of time during the last hour of operation (that is, for any period of time between 3:30 and 4:30 p.m., Washington, DC time) on the deadline date. The Department must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension you must contact either (1) the person listed elsewhere in this notice under *For Applications and Further Information Contact* or (2) the e-GRANTS help desk at 1-888-336-8930.

You may access the electronic grant application for the Title III, Part A Programs at: <http://e-grants.ed.gov>

We have included additional information about the e-Application pilot project (see Parity Guidelines between Paper and Electronic Applications) in the application package.
