

Dockets.” Once in the system, select “search,” and then key in Docket ID No. RCRA–2003–0017. The system is an “anonymous access” system, which means EPA will not know your identity, e-mail address, or other contact information unless you provide it in the body of your comment.

ii. E-mail. Comments may be sent by electronic mail (e-mail) to *rcra-docket@epa.gov*, Attention Docket ID No. RCRA–2003–0017. In contrast to EPA’s electronic public docket, EPA’s e-mail system is not an “anonymous access” system. If you send an e-mail comment directly to the Docket without going through EPA’s electronic public docket, EPA’s e-mail system automatically captures your e-mail address. E-mail addresses that are automatically captured by EPA’s e-mail system are included as part of the comment that is placed in the official public docket, and made available in EPA’s electronic public docket.

iii. Disk or CD ROM. You may submit comments on a disk or CD ROM that you mail to the mailing address identified in **ADDRESSES**. These electronic submissions will be accepted in WordPerfect or ASCII file format. Avoid the use of special characters and any form of encryption.

2. By Mail. Send an original of your comments, referencing Docket ID No. RCRA–2003–0017, to: OSWER Docket, (mail code 5305T) EPA Docket Center, U.S. Environmental Protection Agency Headquarters, 1200 Pennsylvania Avenue NW., Washington, DC 20460.

3. By Hand Delivery or Courier. Deliver your comments to: EPA Docket Center, (EPA/DC) EPA West, Room B102, 1301 Constitution Ave., NW., Washington, DC., Attention Docket ID No. RCRA–2003–0010. Such deliveries are only accepted during the Docket’s normal hours of operation, from 8:30 a.m. to 4:30 p.m. Monday through Friday, excluding federal holidays.

C. How Should I Submit CBI to the Agency?

Do not submit information that you consider to be CBI electronically through EPA’s electronic public docket or by e-mail. Send or deliver information identified as CBI only to: RCRA CBI Document Control Officer, Office of Solid Waste (5305W), U.S. EPA, 1200 Pennsylvania Avenue NW., Washington DC 20460–001, Attention Docket ID No. RCRA–2003–0017. You may claim information that you submit to EPA as CBI by marking any part or all of that information as CBI (if you submit CBI on disk or CD ROM, mark the outside of the disk or CD ROM as CBI and then identify electronically

within the disk or CD ROM the specific information that is CBI). Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

In addition to one complete version of the comment that includes any information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket and EPA’s electronic public docket. If you submit the copy that does not contain CBI on disk or CD ROM, mark the outside of the disk or CD ROM clearly that it does not contain CBI. Information not marked as CBI will be included in the public docket and EPA’s electronic public docket without prior notice. If you have any questions about CBI or the procedures for claiming CBI, please consult the person identified in the **FOR FURTHER INFORMATION CONTACT** section.

D. What Information Is EPA Particularly Interested In?

Pursuant to section 3506(c)(2)(A) of the PRA, EPA specifically solicits comments and information to enable it to:

1. Evaluate whether the proposed collections of information are necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility.

2. Evaluate the accuracy of the Agency’s estimates of the burdens of the proposed collections of information. In particular, for this ICR, EPA is soliciting information on the estimates for performing waste analyses as required in 40 CFR 264.13(a)(1) and 40 CFR 265.13(a)(1).

3. Enhance the quality, utility, and clarity of the information to be collected.

4. Minimize the burden of the collections of information on those who are to respond, including through the use of appropriate automated or electronic collection technologies or other forms of information technology, e.g., permitting electronic submission of responses.

Affected Entities: Entities potentially affected by this action are owners and operators of hazardous waste management facilities.

Title: Hazardous Waste Specific Unit Requirements and Special Waste Processes and Types, EPA ICR #1572.06, OMB No. 2050–0050, expires on December 31, 2003.

Abstract: Section 3004 of the Resource Conservation and Recovery Act (RCRA) of 1976, as amended, requires that the U.S. Environmental

Protection Agency develop standards for hazardous waste treatment, storage, and disposal facilities (TSDFs), as may be necessary, to protect human health and the environment. Section 3004, Subsections (1), (3), (4), (5), and (6) specify that these standards include, but not be limited to, the following requirements:

(1) Maintaining records of all hazardous wastes identified or listed under this title which are treated, stored, or disposed of, * * * and the manner in which such wastes were treated, stored, or disposed of;

(3) Treatment, storage, or disposal of all such waste received by the unit pursuant to such operating methods, techniques, and practices as may be satisfactory to the Administrator;

(4) The location, design, and construction of such hazardous waste treatment, disposal, or storage facilities;

(5) Contingency plans for effective action to minimize unanticipated damage from any treatment, storage, or disposal of any such hazardous waste; and

(6) The maintenance or operation of such facilities and requiring such additional qualifications as to ownership, continuity of operation, training for personnel, and financial responsibility as may be necessary or desirable.

All of the collection requirements covered in this ICR have been published in 40 CFR parts 261, 264 and 265, subparts J through DD, and 40 CFR part 266, subpart F. With each collection covered in this ICR, EPA is aiding the goal of complying with its statutory mandate under RCRA to develop standards for hazardous waste TSDFs, as may be necessary, to protect human health and the environment.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA’s regulations are listed in 40 CFR part 9 and 48 CFR chapter 15.

Burden Statement

For tank systems, the public reporting burden is estimated to average six hours per respondent per year. The recordkeeping burden is estimated to average 155 hours per respondent per year.

For surface impoundments, the public reporting burden is estimated to average two hours per respondent per year. The recordkeeping burden is estimated to average 152 hours per respondent per year.

For waste piles, there is no public reporting burden associated with the
