

use in Surface Ship propulsion systems of the United States, United Kingdom, France and Italy.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Paul V. Kelly,

Assistant Secretary, Legislative Affairs.

Enclosure: Transmittal No. DDTC 062-03.

U.S. Department of State

Washington, DC 20520,
July 25, 2003.

The Honorable J. Dennis Hastert, *Speaker of the House of Representatives.*

Dear Mr. Speaker: Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction described in the attached certification involves the manufacture of a Drogue Rocket Motor and Propellant for end use in an aircraft ejection seat for the Japanese Defense Agency.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Paul V. Kelly,

Assistant Secretary, Legislative Affairs.

Enclosure: Transmittal No. DDTC 066-03.

U.S. Department of State

Washington, DC 20520,
July 25, 2003.

The Honorable J. Dennis Hastert, *Speaker of the House of Representatives.*

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to Brazil of technical data and defense services to support the launching of a satellite into orbit.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information

submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Paul V. Kelly,

Assistant Secretary, Legislative Affairs.

Enclosure: Transmittal No. DDTC 068-03.

U.S. Department of State

Washington, DC 20520,
July 25, 2003.

The Honorable J. Dennis Hastert, *Speaker of the House of Representatives.*

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of major defense equipment and defense articles in the amount of \$25,000,000 or more.

The transaction contained in the attached certification involves the export to Turkey of two Model S-70A helicopters and one lot of spare parts and ground support equipment to fulfill the helicopter mission requirement of the Special Aviation Regiment Command of the Government of Turkey.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Paul V. Kelly,

Assistant Secretary, Legislative Affairs.

Enclosure: Transmittal No. DDTC 070-03.

U.S. Department of State

Washington, DC 20520,
July 25, 2003.

The Honorable J. Dennis Hastert, *Speaker of the House of Representatives.*

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of technical data, defense articles, and assistance necessary to provide support and manufacture of hydraulic pumps, motors, and control systems for military aircraft and defense applications for end-use by the Japan Defense Agency.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Paul V. Kelly,

Assistant Secretary, Legislative Affairs.

Enclosure: Transmittal No. DDTC 071-03.
