Priorities*Invitational Priorities*

We are particularly interested in applications that meet the following invitational priorities.

Invitational Priority 1

Applications from institutions of higher education that propose educational projects that include activities that promote an understanding of economic education for K-12 educators.

Invitational Priority 2

Applications from institutions of higher education that propose educational projects that include activities focused on the targeted world areas of Central and South Asia, the Middle East, Russia, the Independent States of the former Soviet Union, and Africa. These projects should be integrated into the curricula of the home institution or institutions.

Under 34 CFR 75.105(c)(1) we do not give an application that meets the invitational priorities a competitive or absolute preference over other applications.

Application Procedures

The Government Paperwork Elimination Act (GPEA) of 1998, (Pub. L. 105-277) and the Federal Financial Assistance Management Improvement Act of 1999 (Pub. L. 106-107) encourage us to undertake initiatives to improve our grant processes. Enhancing the ability of individuals and entities to conduct business with us electronically is a major part of our response to these Acts. Therefore, we are taking steps to adopt the Internet as our chief means of conducting transactions in order to improve services to our customers and to simplify and expedite our business processes.

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b) (A), the Secretary has determined that proposed rulemaking is not required.
