SUPPLEMENTARY INFORMATION: The Salishan Public Housing Development (Salishan) was originally constructed in 1942 as war-time housing. Located in

what is known as the East Side neighborhood, Salishan is bordered on the west by Portland Avenue and on the east by Swan Creek. There are currently 786 housing units on the site, of which 778 are occupied, and other related community/social service buildings.

In 2000, THA submitted a successful HOPE VI grant application for the redevelopment of Salishan. The amount of the HOPE VI grant awarded in connection with the Salishan revitalization project was \$35 million. Under the proposed Revitalization Plan, existing housing will be demolished and Salishan will be redeveloped into a mixed-use, mixed-income community of approximately 1,270 to 1,500 units. The project will require the relocation of all existing residents. The new unit mix will incorporate low-income, affordable, and market rate housing with single- and multi-family dwellings, and senior and special needs housing. The redevelopment project will also include a mixture of commercial uses and improvements to community facilities such as expanding the existing health clinic, day care, family investment center, and gymnasium. Alternatives to be considered in the EIS include a no action alternative, a 1,270-unit alternative, and a 1,500-unit development.

Questions may be directed to the individual named above under the heading **FOR FURTHER INFORMATION CONTACT**.
