II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The NWII service allows market participants to access SuperMontage and other Nasdaq facilities through Nasdaq's Enterprise Wide Network II ("EWN II"). Each NWII subscriber location has at least one service delivery platform ("SDP") that connects to the EWN II by a dedicated T1 circuit pair. The subscriber then connects the workstations used by its employees to the SDP. Workstations may be either Nasdaq Workstation presentation devices ("PDs") provided by Nasdaq, or workstations and software supplied by the subscriber (often referred to as an "application programming interface" device, or an "NWII substitute").

Nasdaq currently allows subscribers to contract with Nasdaq for maintenance of their NWII PDs and SDPs on a monthly basis, at the rate of \$55 per PD logon or SDP per month. Maintenance is provided by Nasdaq personnel in the New York metropolitan area and by a contractor in other areas of the country. Nasdaq is now proposing to supplement this monthly maintenance option with an hourly maintenance option for subscribers that may not wish to commit to a monthly maintenance agreement. The fee for maintenance provided without a monthly maintenance agreement will be \$195 per hour, with a two-hour minimum charge for all service calls, plus the cost of parts supplied.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 15A of the Act,⁵ in general, and Section 15A(b)(5) of the Act,⁶ in particular, in that it provides for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility or system which the NASD operates or controls.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁷ and subparagraph (f)(2) of Rule 19b-4⁸ thereunder, because it establishes or changes a due, fee, or other charge. At any time within 60 days of August 6, 2003, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.⁹

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the

Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filings will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to File No. SR-NASD-2003-123 and should be submitted by September 17, 2003.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁰

J. Lynn Taylor,

Assistant Secretary.
