12. California Independent System Operator Corporation

[Docket No. ER03-1217-000]

Take notice that on August 15, 2003, the California Independent System Operator Corporation (ISO), tendered for filing revisions to the Transmission Control Agreement for acceptance by the Commission. The ISO states that the purpose of the revisions is to identify the transmission interests that Trans-Elect NTD Path 15, LLC (Trans-Elect) will be turning over to the ISO's Operational Control, by including those interests in a new Appendix A to the TCA, and to identify the persons to contact at Trans-Elect for notice purposes by expanding Appendix F of the TCA.

The ISO states that this filing has been served on the Public Utilities Commission of California, the California Energy Commission, the California Electricity Oversight Board, the Participating TOs, Trans-Elect, and all parties with effective Scheduling

Coordinator Agreements under the ISO Tariff.

The ISO is requesting waiver of the 120-day advance filing limit to allow the revisions to be made effective upon notice after January 1, 2004, as described in the transmittal letter.

Comment Date: September 5, 2003.
