

3. Grazing on lands adjacent to the monument has resulted in domestic livestock encroaching on park lands, posing adverse impacts on the park's archeological resources and habitat for native species.

4. The monument does not have an adequate maintenance facility.

5. The monument relies heavily on partnerships with a number of state, tribal, private and academic agencies, organizations and institutions. The general management planning process will provide a forum for discussion and consultation that will strengthen the foundations of these partnerships.

A public forum for comment on the full range of appropriate visitor experiences will be provided throughout the course of the GMP process. Public involvement is essential for the development of creative solutions to guide future park management.

A briefing statement has been prepared that summarizes the issues identified to date. Copies of that information may be obtained from: Superintendent, Hovenweep National Monument.

DATES: The Park Service will accept comments from the public for 30 days from the date this notice is published in the **Federal Register**.

ADDRESSES: Information will be available for public review and comment in the office of the Superintendent, Greg Dudgeon, Hovenweep National Monument. The director, Intermountain Region, National Park Service will approve the environmental impact statement.

The National Park Service will conduct public scoping (public meetings and solicitation of comments from state, county and town agencies and organizations; park neighbors; state historic preservation officer; and associated American Indian tribes) for the Hovenweep General Management Plan/Environmental Impact Statement from July, 2003 to August, 2005. Public involvement will play a critical role in the preparation of the environmental impact statement that will analyze the impacts of the management alternatives in the draft general management plan.

DATES: The National Park Service will conduct further public scoping for the draft alternatives and environmental impact statement for a period of 30-days beyond publication of this Notice of Intent.

ADDRESSES: You may mail comments to: Superintendent's Office, Hovenweep National Monument, McElmo Route, Cortez, CO 81321. You may also hand-deliver comments to the Superintendent's Office, Hovenweep

National Monument, Cortez, CO. (Attn: General Management Plan).

SUPPLEMENTARY INFORMATION: Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the record, which we will honor to the extent allowable by law. If you wish us to withhold your address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.
