SUPPLEMENTARY INFORMATION:

1. Background Information

On August 4, 2003, in accordance with section 2104(a)(1) of the Trade Act of 2002, the United States Trade Representative notified the Congress of the President's intent to enter into free trade negotiations with the Dominican Republic. The notification letters to the

Congress can be found on the USTR Web site at <http://www.ustr.gov/new/fta/Dr/2003-08-04-notification-house.pdf> and <http://www.ustr.gov/new/fta/Dr/2003-08-04-notification-senate.pdf> respectively. We intend to launch negotiations in January 2004.

Through these negotiations we expect to provide for essentially the same disciplines as those in the Free Trade Agreement we are currently negotiating with the five members of the Central American Economic Integration System (Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua) (CAFTA), and to negotiate specific market access commitments with the Dominican Republic. On August 6, 2003 the USTR requested the ITC provide advice on probable economic effects. The ITC intends to provide this advice within four months of its receipt of the request.

2. Employment Impact Review

Section 2102(c)(5) of the Bipartisan Trade Promotion Authority Act of 2002, 19 U.S.C. 3802(c)(5), directs the President to "review the impact of future trade agreements on United States employment, including labor markets, modeled after Executive Order 13141 to the extent appropriate in establishing procedures and criteria, report to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate on such review, and make that report available to the public." USTR and the Department of Labor will conduct the employment reviews through the TPSC.

The employment impact review will be based on the following elements, which are modeled to the extent appropriate after those in EO 13141. The review will be: (1) Written; (2) initiated through a **Federal Register** notice soliciting public comment and information on the employment impact of the FTA in the United States; (3) made available to the public in draft form for public comment, to the extent practicable; and (4) made available to the public in final form.

Comments may be submitted on potentially significant sectoral or regional employment impacts (both positive and negative) in the United States as well as other likely labor market impacts of the FTA. Persons submitting comments should provide as much detail as possible in support of their submissions.

3. Requirements for Submissions

To ensure prompt and full consideration of responses, the TPSC strongly recommends that interested persons submit comments by electronic
