Availability of Funds Announced in the HRSA Preview

AGENCY: Health Resources and Services Administration.

ACTION: General notice.

SUMMARY: Health Resources and Services Administration (HRSA) announces the availability of funds in the HRSA Preview for Summer 2003. This edition of the HRSA Preview is a comprehensive review of HRSA's Fiscal Year 2004 competitive grant programs.

The purpose of the HRSA Preview is to provide the general public with a single source of program and application information related to the Agency's competitive grant offerings. The HRSA Preview is designed to replace the multiple **Federal Register**

notices that traditionally advertised the availability of HRSA's discretionary funds for its various programs. It should be noted that additional program initiatives responsive to new or emerging issues in the health care area and unanticipated at the time of publication of the HRSA Preview may be announced through the **Federal Register** and the HRSA Web site, <http://www.hrsa.gov/grants>. This notice does not change requirements appearing elsewhere in the **Federal Register**.

This notice contains nearly all of the content of the HRSA Preview. The HRSA Preview contains a description of competitive and other grant programs scheduled for awards in Fiscal Year 2004, and includes instructions on how to contact the Agency for information and receive application kits for all programs. Specifically, the following information is included in the HRSA Preview: (1) Program announcement number (2) program announcement title; (3) program announcement code; (4)

legislative authority; (5) Catalog of Federal Domestic Assistance (CFDA) identification number; (6) purpose; (7) eligibility; (8) funding priorities and/or preferences; (9) estimated dollar amount of competition; (10) estimated number of awards; (11) estimated project period; (12) application availability date; (13) letter of intent deadline (if any); (14) application deadline; (15) projected award date; and (16) programmatic contact, with telephone and e-mail addresses. Certain other information, including how to obtain and use the HRSA Preview and grant terminology, can also be found in the HRSA Preview.

Dated: August 27, 2003.

Administrator.
