Assessment

Upon completion of this administrative review, the Department will determine, and Customs shall assess, antidumping duties on all appropriate entries. In accordance with section 351.212(b)(1) of the Department's regulations, we will calculate exporter/importer specific assessment rates for merchandise subject to this review. The Department will issue appropriate assessment instructions directly to Customs within 15 days of publication of the final results of review. If these preliminary results are adopted in the final results of review, we will direct Customs to assess the resulting assessment rates against the entered customs values for the subject merchandise on each of the importers' entries during the review period.

Cash Deposit

The following deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results

of this administrative review, as provided in section 751(a)(1) of the Act: (1) The cash deposit rate for DSM and INI will be that established in the final results of this review; (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less than fair value ("LTFV") investigation, but the manufacturer is, the cash deposit rate will be the rate established in the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review conducted by the Department, the cash deposit rate will continue to be the "all other" rate established in the LTFV investigation, which was 37.21 percent.

Notification to Interested Parties

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305, that continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
