No DIC is payable under this table if annual income exceeds \$11,024.

One parent who has remarried. If there is only one parent and the parent has remarried and is living with the parent's spouse, DIC shall be paid under Table 2 or under Table 4, whichever shall result in the greater benefit being paid to the veteran's parent. In the case

of remarriage, the total combined annual income of the parent and the parent's spouse shall be counted in determining the monthly rate of DIC.

Two parents not living together. The rates in Table 3 apply to (1) two parents who are not living together, or (2) an

unmarried parent when both parents are living and the other parent has remarried. The monthly rate of DIC paid to each such parent shall be \$334 reduced on the basis of each parent's annual income, according to the following formula:
