

supplementary rules to manage continued multiple use of the sites. These rules will be available in the Lake Havasu Field Office and BLM will post them at the sites affected. Most of the shoreline supplementary rules that follow were first published in 1998. We have expanded the area of applicability to include all of the BLM-managed shoreline of Lake Havasu in Arizona and California. The previous supplementary rules applicable to the lake shoreline were limited to the areas in the vicinity of the shoreline campsites. The term "recreation site" includes any developed campsite or day use site or similar recreational development. The supplementary rules that follow also apply to the surface of Lake Havasu located within 500 linear feet of designated campsites. Acts occurring in that portion of the lake have a direct impact on, and connection with, public safety and resource protection of the campsite areas.

III. Procedural Matters

The principal author of these supplementary rules is Bryan Pittman, Field Staff Law Enforcement Ranger, BLM Lake Havasu Field Office.

Regulatory Planning and Review (E.O. 12866)

These supplementary rules are not significant and are not subject to review by the Office of Management and Budget under Executive Order 12866.

(1) These supplementary rules will not have an effect of \$100 million or more on the economy. They will not adversely affect in a material way the economy, productivity, competition, jobs, the environment, public health or safety, or state, local, or tribal governments or communities.

(2) These supplementary rules will not create a serious inconsistency or otherwise interfere with an action taken or planned by another agency.

(3) These supplementary rules do not alter the budgetary effects or entitlements, grants, user fees, or loan programs or the rights or obligations of their recipients.

(4) These supplementary rules do not raise novel legal or policy issues.

The supplementary rules will not affect legal commercial activity, but merely contain rules of conduct for public use of a limited selection of public lands.

Regulatory Flexibility Act

The Department of the Interior certifies that these supplementary rules will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility

Act (5 U.S.C. 601 *et seq.*). The supplementary rules will not affect legal commercial activity, but will govern conduct for public use of a limited selection of public lands.

Small Business Regulatory Enforcement Fairness Act (SBREFA)

These supplementary rules do not constitute a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. These supplementary rules:

Do not have an annual effect on the economy of \$100 million or more. (See the discussion under Regulatory Planning and Review, above.)

Will not cause a major increase in costs or prices for consumers, individual industries, Federal, State, or local government agencies, or geographic regions. See the discussion above under Regulatory Flexibility Act.

Do not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of U.S.-based enterprises to compete with foreign-based enterprises.

Unfunded Mandates Reform Act

These supplementary rules do not impose an unfunded mandate on state, local, or tribal governments or the private sector of more than \$100 million per year. The supplementary rules do not have a significant or unique effect on state, local, or tribal governments or the private sector. The supplementary rules have no effect on governmental or tribal entities. A statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*) is not required.

Takings (E.O. 12630)

In accordance with Executive Order 12630, the supplementary rules do not have significant takings implications. The enforcement provision in the supplementary rules does not include any language requiring or authorizing forfeiture of personal property or any property rights. E.O. 12630 addresses concerns based on the Fifth Amendment dealing with private property taken for public use without compensation. The land covered by the supplementary rules is public land managed by the Bureau of Land Management; therefore no private property is affected. A takings implications assessment is not required.

Federalism (E.O. 13132)

In accordance with Executive Order 13132, BLM finds that the supplementary rules do not have sufficient federalism implications to warrant the preparation of a federalism

summary impact statement. The supplementary rules do not have substantial direct effects on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. The supplementary rules do not preempt state law.

Civil Justice Reform (E.O. 12988)

In accordance with Executive Order 12988, the Office of the Solicitor has determined that these supplementary rules do not unduly burden the judicial system and meet the requirements of sections 3(a) and 3(b)(2) of the Order.

Consultation and Coordination With Indian Tribal Governments (E.O. 13175)

In accordance with Executive Order 13175, we have found that this final rule would not include policies that have tribal implications. The supplementary rules would not affect lands held for the benefit of Indians, Aleuts, or Eskimos.

Paperwork Reduction Act

These supplementary rules do not contain information collection requirements that the Office of Management and Budget must approve under the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

National Environmental Policy Act

These supplementary rules do not constitute a major Federal action significantly affecting the quality of the human environment. A detailed statement under the National Environmental Policy Act of 1969 is not required.

Under the authority of 43 U.S.C. 1733a and 43 CFR 8360.0-7, BLM establishes the following supplementary rules.
