PAIMI grants are based on a formula prescribed by the Secretary (42 U.S.C. at 10822(a)(1)(A)).

On January 1, each eligible State protection and advocacy (P&A) system is required to prepare and transmit to the Secretary and head of the State Mental Health Agency, in which the system is located, a report describing its activities, accomplishments, and expenditures during the most recently completed fiscal year. Section 10824(a) of the Act requires that the State P&A system's annual reports to the Secretary, shall describe its activities, accomplishments, and expenditures to protect the rights of individuals with mental illness supported with payments from PAIMI allotments, including:

(A) The number of (PAIMI-eligible) individuals with mental illness served;

(B) A description of the types of activities undertaken;

(C) A description of the types of facilities providing care or treatment to which such activities are undertaken;

(D) A description of the manner in which the activities are initiated;

(E) A description of the accomplishments resulting from such activities;

(F) A description of systems to protect and advocate the rights of individuals with mental illness supported with payments from PAIMI allotments;

(G) A description of activities conducted by States to protect and advocate such rights;

(H) A description of mechanisms established by residential facilities for individuals with mental illness to protect such rights; and,

(I) A description of the coordination among such systems, activities and mechanisms;

systems established with PAIMI allotments; and

(K) Recommendations for activities and services to improve the protection and advocacy of the rights of individuals with mental illness and a description of the needs for such activities and services which have not been met by the State P&A systems established under the PAIMI Act. (The PAIMI Rules 42 CFR section 51.32(b) state that P&A systems may place restrictions on case or client acceptance criteria developed as part of its annual PAIMI priorities. However, prospective clients must be informed of any such restrictions at the time they request service).

This summary report must include a separate section, prepared by the PAIMI Advisory Council, that describes the council's activities and its assessment of the operations of the State P&A system (42 U.S.C. 10805(7)).
