SUPPLEMENTARY INFORMATION:

I. Background

On April 16, 2003, President Bush signed into law an enhancement to the Temporary Extended Unemployment Compensation (TEUC) program. This enhancement created special rules for determining TEUC eligibility for certain displaced airline related workers. Such workers may qualify for an additional 26 weeks of basic TEUC benefits if the worker became unemployed as a result of: (1) Reductions in service by an air carrier as a result of a terrorist action or security measure; (2) a closure of an airport in the United States as a result of a terrorist action or security measure; or (3) a military conflict with Iraq that has been authorized by Congress. In order to determine TEUC eligibility for these displaced airline and related workers specific information from employers must be collected. Emergency approval for this collection of information was granted through November 30, 2003. However, to cover the existing period of program implementation and to provide for potential congressional extensions of this program, ETA is seeking a 2 year extension for this collection package.
