SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). We have submitted a request to OMB to renew its approval of the collection of information for the Grant Agreement and Amendment to Grant Agreement. We are requesting a 3-year term of approval for this information collection activity.

Federal agencies may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection of information is 1018-0049.

Under the authority of the Federal Aid in Wildlife Restoration Act (16 U.S.C. 669-669i), the Federal Aid in Sport Fish Restoration Act (16 U.S.C. 777-777l), the Endangered Species Act (16 U.S.C. 1531 *et seq.*), the Clean Vessel Act (16 U.S.C. 777c), the Sportfishing and Boating Safety Act (16 U.S.C. 777g-1), and the Coastal Wetlands Planning, Protection, and Restoration Act (16 U.S.C. 3951-3956), we administer several grant programs. We use the information collected in grant applications and agreements to make awards under these grant programs. The information collected on the grant applications and agreements helps us determine whether the estimated cost of the grant project is reasonable, the cost sharing is consistent with the applicable program statutes, and sufficient Federal funds are available for obligation. The State or other grantee uses the grant application forms and agreements to request funds and identify proposed cost sharing. Grantees complete an Amendment to Grant Agreement to request a change to a previously approved Grant Agreement. We use the Amendment to Grant Agreement to revise a previous funding obligation or otherwise document the approval of a revision. The Grant Agreement and Amendment to Grant Agreement that we have submitted to OMB for approval are modified slightly to lessen the burden on the public and to make them easier for the Service to use.
