Attachment—Sample Pages From Spreadsheet Calculator

Note: The following sample pages will not be codified in the Code of Federal Regulations.

As noted above in the preamble to this proposed rule, HUD has developed a spreadsheet calculator to assist PHAs in the calculations and comparisons required for the conversion analysis. The spreadsheet calculator will be available for PHAs to download from the HUD Homepage (<http://www.hud.gov>). The following sample pages from the spreadsheet calculator illustrate the

cost comparison methodology contained in this proposed rule.
