The State of Alaska proposes to conduct audits and investigations for producing Federal oil and gas leases within the State, for producing Federal oil and gas leases in the Outer Continental Shelf subject to revenue sharing under 8(g) of the Outer Continental Shelf Lands Act, 43 U.S.C. 1337 (g), and for other producing solid mineral or geothermal Federal leases within the State. The State requests 100 percent funding of the delegated functions for a 3-year period. We anticipate beginning on October 1, 2003, with an option to extend for an additional 3-year period.
