

year, for 2–3 days for each meeting. Work groups will be scheduled as determined by the steering committee and work group members to provide information and meet schedule requirements.

Make your request to participate on the steering committee or specialized work groups in writing on or before March 5, 2003. Your request should provide the following information:

- Contact information (name, company and position, address, phone, facsimile, and email)
- Segment(s) of the industry or organization/association you represent
- Experience, subject expertise or other background information

The FAA will notify all selected members and participants in writing in advance of the first meeting. Additional information on the committee, membership, dates, and other information may be obtained on the Office of Rulemaking web site under the heading “Advisory Committees”.

*Comments.* As noted above, persons wishing to comment on this review may do so until June 3, 2003. In order to proceed with rulemaking, the FAA requests that commenters be timely in their comments.

Commenters should be as specific as possible and provide as much detail in comments as necessary to facilitate regulatory decision making. Comments should address the specific section of

the regulation at issue, a detailed explanation of what needs to be changed and why, and the proposed regulatory change. Information on costs and benefits of the proposed change are particularly helpful.

Comments provided in response to this review will assist the FAA and committee in their review and deliberation.

Issued in Washington, DC on January 27, 2003.
