

in this review, Jilin Henghe Pharmaceutical Company Ltd. ("Jilin") and Shandong Xinhua Pharmaceutical Co., Ltd. ("Shandong") did not file ministerial error allegations or comment on the petitioner's allegations.

The petitioner contends that the Department failed to apply the calculated credit rate to Shandong's U.S. sales and incorrectly calculated the credit period. In the calculation of the surrogate value for acetic acid for Jilin and Shandong, the petitioner contends that the Department incorrectly deducted taxes from the already tax-

exclusive domestic price of acetic acid sold on the Mumbai Market.

In accordance with section 735(e) of the Act, we have determined that ministerial errors were made in our final results margin calculations. Specifically we find that the incorrect calculation of Shandong's credit expense and that the incorrect calculation of the domestic price of acetic acid constitute clerical errors. For a detailed discussion of all of the ministerial error allegations and the Department's analysis, see Memorandum to Susan Kuhbach, "Antidumping Duty Administrative Review of Bulk Aspirin from the

People's Republic of China; Allegations of Ministerial Errors" dated September 12, 2003 which is on file in the Central Records Unit, room B-099 of the main Department building.

In accordance with 19 C.F.R. 351.224(e), we are amending the final results of the antidumping duty administrative review of bulk aspirin from the PRC to correct these ministerial errors. However, the amended weighted-average margins are identical to the weighted-average margins in the final results (see Final Results). The weighted-average dumping margins for Jilin and Shandong are listed below:

Producer//Manufacturer/Exporter	Original Weighted-average margin percentage	Amended Results Weighted-average margin percentage
Jilin Henghe Pharmaceutical Company Ltd.	0.00	0.00
Shandong Xinhua Pharmaceutical Co., Ltd.	0.00	0.00

Cash Deposit Rates

These deposit rates shall remain in effect until publication of the final results of the next administrative review.

These cash deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

SUPPLEMENTARY INFORMATION

Background

As a result of the antidumping duty order issued following the completion of the less-than-fair-value investigation of certain softwood lumber products from Canada, imports of softwood lumber from Monterra, a subsidiary of respondent company Weyerhaeuser Company Limited (Weyerhaeuser), became subject to a cash deposit rate of 12.39 percent (*See Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Order: Certain Softwood Lumber Products from Canada*, 67 FR 36068 (May 22, 2002)). On February 4, 2003, Monterra notified the Department that effective December 23, 2002, Weyerhaeuser sold its interest in Monterra to 1554545 Ontario, Inc. (1554545 Ontario), a wholly owned subsidiary of Tercamm Corp., a privately owned Canadian investment company. As a result, Monterra requested that the Department conduct a changed circumstances review in order to conclude that, effective December 23, 2002, it should be subject to the "All Others" cash deposit rate of 8.43 percent, rather than Weyerhaeuser's 12.39 percent rate. On March 27, 2003, the Department published a notice of initiation of a changed circumstances review to determine whether entries naming Monterra as manufacturer and exporter
