

must include both a black and white reproduction of the mark and a color reproduction of the mark. If the mark in the basic application and/or registration is depicted in color, the reproduction of the mark in the international application must be in color;

(4) A color claim as set out in § 7.12, if appropriate;

(5) A description of the mark that is the same as the description of the mark in the basic application or registration, as appropriate;

(6) An indication of the type of mark if the mark in the basic application and/or registration is a three-dimensional mark, a sound mark, a collective mark or a certification mark;

(7) A list of the goods and/or services that is identical to or narrower than the list of goods and/or services in each claimed basic application or registration and classified according to the *Nice Agreement Concerning the International Classification of Goods and Services for the Purposes of the Registration of Marks*;

(8) A list of the designated Contracting Parties. If the goods and/or services in the international application are not the same for each designated Contracting Party, the application must list the goods and/or services in the international application that pertain to each designated Contracting Party;

(9) The certification fee required by § 7.6, the international application fees for all classes, and the fees for all designated Contracting Parties identified in the international application (see § 7.7);

(10) A statement that the applicant is entitled to file an international application in the Office, specifying that applicant: Is a national of the United States; has a domicile in the United States; or has a real and effective industrial or commercial establishment in the United States. Where an applicant's address is not in the United States, the applicant must provide the address of its U.S. domicile or establishment; and

(11) An e-mail address for receipt of correspondence from the Office.

(b) For requirements for certification, see § 7.13.

§ 7.12 Claim of color.

(a) If color is claimed as a feature of the mark in the basic application and/or registration, the international application must include a statement that color is claimed as a feature of the mark and set forth the same name(s) of the color(s) claimed in the basic application and/or registration.

(b) If color is not claimed as a feature of the mark in the basic application and/

or registration, color may not be claimed as a feature of the mark in the international application.

§ 7.13 Certification of international application.

(a) When an international application contains all the elements set forth in § 7.11(a), the Office will certify to the International Bureau that the information contained in the international application corresponds to the information contained in the basic application(s) and/or basic registration(s) at the time of certification, and will then forward the international application to the International Bureau.

(b) When an international application does not meet the requirements of § 7.11(a), the Office will not certify or forward the international application. If the international applicant paid the international application fees (see § 7.7) through the Office, the Office will refund the international fees. The Office will not refund the certification fee.

§ 7.14 Correcting irregularities in international application.

(a) *Response period.* Upon receipt of a notice of irregularities in an international application from the International Bureau, the applicant must respond to the International Bureau within the period set forth in the notice.

(b) *Classification and Identification of Goods and Services.* Responses to International Bureau notices of irregularities in the classification or identification of goods or services in an international application must be submitted through the Office for forwarding to the International Bureau. The Office will review an applicant's response to a notice of irregularities in the identification of goods or services to ensure that the response does not identify goods or services that are broader than the scope of the goods or services in the basic application or registration.

(c) *Fees.* If the International Bureau notice of irregularities requires the payment of fees, the fees for correcting irregularities in the international application must be paid directly to the International Bureau.

(d) *Other Irregularities Requiring Response from Applicant.* Except for responses to irregularities mentioned in paragraph (b) of this section and payment of fees for correcting irregularities mentioned in paragraph (c) of this section, all other responses may be submitted through the Office in accordance with § 7.14(e), or filed directly at the International Bureau. The Office will forward timely responses to

the International Bureau, but will not review the responses or respond to any irregularities on behalf of the international applicant.

(e) *Procedure for response.* An international applicant submitting a response to the International Bureau through the Office must use TEAS. To be considered timely, a response must be received by the International Bureau before the end of the response period set forth in the International Bureau notice. Receipt in the Office does not fulfill this requirement. Any response submitted through the Office for forwarding to the International Bureau should be submitted as soon as possible, but at least one month before the end of the response period in the International Bureau's notice. The Office will not process any response submitted to the Office after the IB response deadline.

Subpart C—Subsequent Designation Submitted Through the Office

§ 7.21 Subsequent designation.

(a) A subsequent designation may be filed directly with the International Bureau, or, if it meets the requirements of paragraph (b) of this section, submitted through the Office.

(b) The date of receipt in the Office of a subsequent designation is the date that the subsequent designation is submitted through TEAS, if it contains all of the following:

(1) The international registration number;

(2) The serial number of the U.S. application or registration number of the U.S. registration that formed the basis of the international registration;

(3) The name and address of the holder of the international registration;

(4) A statement that the holder is entitled to file a subsequent designation in the Office, specifying that holder: Is a national of the United States; has a domicile in the United States; or has a real and effective industrial or commercial establishment in the United States. Where a holder's address is not in the United States, the holder must provide the address of its U.S. domicile or establishment;

(5) A list of goods and/or services that is identical to or narrower than the list of goods and/or services in the international registration;

(6) A list of the designated Contracting Parties. If the goods and/or services in the subsequent designation are not the same for each designated Contracting Party, the holder must list the goods and/or services covered by the subsequent designation that pertain to each designated Contracting Party;
