

through the Regulations.gov Web site located at <http://www.regulations.gov>. The Regulations.gov Web site is the central online rulemaking portal of the United States government and is a public service to increase participation in the government's regulatory activities by offering a central point for submitting comments on regulations.

#### C. How and to Whom Do I Submit Comments?

You may submit comments electronically, by mail, through hand delivery/courier or by facsimile. Instructions for submitting comments by each method are discussed below. To ensure proper receipt by EPA, identify the appropriate ID No. in the subject line on the first page of your comment. Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." The EPA is not required to consider these late comments. If you wish to submit CBI or information that is otherwise protected by statute, please follow the instructions in Section D below.

1. *Electronically.* To submit comments electronically (via e-mail, Regulations.gov, or on disk or CD ROM), EPA recommends that you include your name, mailing address, and an e-mail address or other contact information in the body of your comment. Also include this contact information on the outside of any disk or CD ROM you submit, and in any cover letter accompanying the disk or CD ROM. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. The EPA's policy is that EPA will not edit your comments. Any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the public rulemaking file. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

i. *E-mail.* Comments may be submitted by electronic mail (e-mail) to Mr. Stanley M. Spruiell at [spruiell.stanley@epa.gov](mailto:spruiell.stanley@epa.gov), Attention "Public comment on ID No. TX-155-1-7591". In contrast to the Regulations.gov Web site, EPA's e-mail system is not an "anonymous" system. If you send an e-mail comment directly to EPA, your e-mail address will be automatically captured and included as part of the comment that is placed in the official public rulemaking file.

ii. *Regulations.gov.* Comments may be submitted electronically at the Regulations.gov Web site, the central online rulemaking portal of the United States government. Every effort is made to ensure that the Web site includes all rule and proposed rule notices that are currently open for public comment. You may access the Regulations.gov Web site at <http://www.regulations.gov>. Select "Environmental Protection Agency" at the top of the page and click on the "Go" button. The list of current EPA actions available for comment will be displayed. Select the appropriate action and follow the online instructions for submitting comments. Unlike EPA's e-mail system, the Regulations.gov Web site is an "anonymous" system, which means that any personal information, e-mail address, or other contact information will not be collected unless it is provided in the text of the comment. See the Privacy Notice at the Regulations.gov Web site for further information. Please be advised that EPA cannot contact you for any necessary clarification unless your contact information is included in the body of comments submitted through the Regulations.gov Web site.

iii. *Disk or CD ROM.* You may submit comments on a disk or CD ROM that you mail to: Mr. Guy Donaldson, Acting Chief, Air Permits Section (6PD-R), Environmental Protection Agency, 1445 Ross Avenue, Suite 700, Dallas, Texas 75202-2733. Please include the text "Public comment on ID No. TX-155-1-7591" on the disk or CD ROM. These electronic submissions will be accepted in WordPerfect, Word, or ASCII file format. You should avoid the use of special characters and any form of encryption.

2. *By Mail.* Send your comments to: Mr. Guy Donaldson, Acting Chief, Air Permits Section (6PD-R), Environmental Protection Agency, 1445 Ross Avenue, Suite 700, Dallas, Texas 75202-2733. Please include the text "Public comment on ID No. TX-155-1-7591" in the subject line of the first page of your comments.

3. *By Hand Delivery or Courier.* Deliver your written comments or comments on a disk or CD ROM to: Mr. Guy Donaldson, Acting Chief, Air Permits Section (6PD-R), Environmental Protection Agency, 1445 Ross Avenue, Suite 700, Dallas, Texas 75202-2733, Attention "Public comment on ID No. TX-155-1-7591." Such deliveries are only accepted during official hours of business, which are Monday through Friday, 8:30 a.m. to 4 p.m., excluding federal holidays.

4. *By Facsimile.* Fax your comments to: (214) 665-7263, Attention "Public comment on ID No. TX-155-1-7591."

#### D. How Should I Submit CBI to the Agency?

You may assert a business confidentiality claim covering CBI information included in comments submitted by mail or hand delivery in either paper or electronic format. CBI should not be submitted via e-mail or at the Regulations.gov Web site. Clearly mark any part or all of the information submitted which is claimed as CBI at the time the comment is submitted to EPA. CBI should be submitted separately, if possible, to facilitate handling by EPA. Submit one complete version of the comment that includes the properly labeled CBI for EPA's official administrative record and one copy that does not contain the CBI to be included in the public rulemaking file. If you submit CBI on a disk or CD ROM, mark the outside of the disk or the CD ROM that it contains CBI and then identify the CBI within the disk or CD ROM. Also submit a non-CBI version if possible. Information which is properly labeled as CBI and submitted by mail or hand delivery will be disclosed only in accordance with procedures set forth in 40 CFR Part 2. For comments submitted by EPA's e-mail system or through the Regulations.gov Web site, no CBI claim may be asserted. Do not submit CBI to the Regulations.gov Web site or via EPA's e-mail system. Any claim of CBI will be waived for comments received through the Regulations.gov Web site or EPA's e-mail system. For further advice on submitting CBI to the Agency, contact the person listed in the **For Further Information Contact** section of this notice.
