

private nonprofit organizations for domestic farm labor in areas where need exists. In some cases, rental assistance may be provided to eligible tenants.

RHS has the responsibility of assuring the public that funds for Labor Housing projects are financed to build, buy, improve or repair farm labor housing and related facilities. The facilities financed are to have decent, safe and sanitary living conditions and are managed and operated as mandated by Congress. 7 CFR part 1944, subpart D was issued to set forth the policies and procedures and delegation of authority for making initial and subsequent insured loans under Section 514 and grants under Section 516 to provide housing and related facilities for domestic farm labor and to assure that applicable laws and authorities are carried out as intended.

With the provisions of this regulation, RHS will be able to provide the financial assistance and necessary guidance to applicants in the development of their project proposals. It provides the Agency the capacity to meaningfully evaluate the feasibility of the proposed projects. RHS will be able to assure Congress and the general public that all Labor Housing projects will be operated for purposes that are intended, and for the benefit of those they are mandated to serve.

The required information is collected on a project-by-project basis and is done so in accordance with the amended Housing Act of 1949, so that RHS can provide guidance and be assured of compliance with terms and conditions of loan, grant, and/or subsidy agreements.

Through the Office of Export Enforcement ("OEE"), the Bureau of Industry and Security ("BIS"), U.S. Department of Commerce, has requested that I renew the order ("TDO") I issued on March 29, 2003, pursuant to § 766.24 of the Export Administration Regulations (currently codified at 15 CFR 730-774 (2003)) ("EAR"),¹ temporarily denying all U.S. export privileges of Yaudat Mustafa Talyi, a.k.a. BIS states in its September 5, 2003 request that, based upon evidence previously adduced that was the basis for the issuance of the September 30, 2002 order and the March 29, 2003 renewal (as modified on July 24, 2003 to add Uni-Arab, Radi Mustafa, and Dean Sehweil as related persons), it believes that a renewal of the TDO is necessary to prevent further violations of U.S. export control laws. Specifically,

¹ From August 21, 1994 through November 12, 2000, the Act was in lapse. During that period, the President, through Executive Order 12924, which had been extended by successive Presidential Notices, the last of which was August 3, 2000 (3 CFR, 2000 Comp. 397 (2001)), continued the EAR in effect under the International Emergency Economic Powers Act (50 U.S.C. 1701-1707 (2000)) ("IEEPA"). On November 13, 2000, the Act was reauthorized and it remained in effect through August 20, 2001. Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), as extended by the Notice of August 7, 2003 (68 FR 47833 (August 11, 2003)), has continued the EAR in effect under IEEPA.
