

required assets and their configuration are hereinafter referred to as the "enterprise." The basic components of the enterprise are the desktop workstations, the server, local area network (LAN) components and a connection to the Internet.

At a minimum, each grantee shall provide one (1) desktop computer for the exclusive use of each employee delivering minority business assistance to the public under an award from MBDA. All desktop computers shall be inter-connected with a Server computer using an Ethernet protocol enabling communication with all workstations on the network. The Server shall have a constant, high-speed Internet connection, active during all business hours, preferably through a DSL or cable modem connection. The recipient shall ensure that each of his/her employees, to include management, administrative personnel, contractors, full-time, part-time, and non-paid (volunteer) staff have a unique electronic mail (e-mail) address available to the public. Each grantee shall design, develop and maintain, in accordance with the computer requirements, a presence on the Internet's World Wide Web and shall maintain appropriate computer and network security precautions during all periods of funding by MBDA. All IT requirements, as described herein, shall be met within thirty (30) calendar days after the award.

1. *Network Design:* At all locations where services are delivered to the eligible public as defined by Executive Order 11625, the recipient shall operate a server-based local area network (LAN) enabling each staff person delivering services to the eligible public exclusive access to a personal computer workstation during all business hours. MBDA shall, from time to time, designate certain configurations of the enterprise hardware and software to meet interface requirements.

Currently, MBDA recommends servers using an operating system that is *fully compatible* with Microsoft Windows 2000. Any server providing principal service to the desktops shall contain 18 or more gigabytes (GB) of hard drive space using two or more 9 GB+ disks configured appropriately to ensure data retention should one disk fail. At least one (1) Pentium IV class central processing unit (CPU), shall be used in the DC server or any other server providing principal service to the desktops. Web servers, mail servers and/or servers maintained by a third party such as an Internet Service Provider (ISP) shall meet the minimum server specifications as stated herein.

2. *Desktop Workstations:* All desktop systems shall not be more than two (2) calendar years old at time of award and shall contain a Pentium IV class central processing unit (CPU), operating at speeds not less than 2+ Gigahertz (GHz). Each desktop system shall contain a hard drive with a storage capacity of at least twenty (20) GB and 512 Megabytes of RAM. All desktop systems shall have installed an operating system fully compatible with Microsoft Windows 2000 or XP Professional, with MS Office 2000 Professional or higher, Microsoft Internet Explorer 6.x, and a software or hardware-based Firewall. Additionally, at least one workstation shall have installed both a full page scanner, along with software fully compatible with Adobe Acrobat software for the production of electronic document submissions.

3. *Maintenance and Security:* A network map ("as-built") reflecting adherence to the computer and networking requirements set forth herein shall be maintained by the recipient for review by MBDA at any time. Each recipient shall designate and train one administrative person competent in the operation of an operations system fully compatible with Windows 2000 network and local area network (LAN) technology as described herein. From time to time, MBDA may require certain software be loaded on servers and desktops. In any given year, the cost of this additional software may be \$200.00 per workstation and \$500.00 per server, such additional cost may be borne by MBDA. Every employee of the NABDC shall be assigned a unique username and password to access the system. Every employee shall be required to sign a written computer security agreement. (A suggested format for the computer security agreement will be provided at the time of award.) Every manager, employee, and contractor and any other person given access to the computer system shall sign the security agreement and an original copy of the signed agreement shall be kept in the NABDC's files. A photocopy of the agreement shall be sent by fax to MBDA at: (202) 482-2693 no later than thirty (30) days after receipt of the award. All subsequent new hires and associations requiring access to the NABDC or MBDA systems shall read, understand and sign the security agreement prior to issuance of a password. No employee shall have access to the MBDA system without a signed security agreement on file at MBDA.

4. *Web site:* Each recipient shall create and maintain a public Web site using a unique address (e.g., [\[name.com\]\(http://www.center-name.com\)\). The first page \(Index page\) of the Web site shall clearly identify the recipient as a Native American Business Development Center funded by the U.S. Department of Commerce's Minority Business Development Agency. The Index page of the Web site shall load on software fully compatible with Windows Internet Explorer 6.x browser software using a normal home computer with 56Kb/s analog phone line connection in less than ten \(10\) seconds. The Web site shall contain the names of all managers and employees, the business and mailing address of the Center, business phone and fax numbers and e-mail addresses of the NABDC and employees, a statement referencing the services available at the NABDC, the hours under which the NABDC operates and a link to the MBDA homepage \(<http://www.mbda.gov>\). For purpose of electronically directing clients to the appropriate NABDC staff, the Web site shall also contain a short biographical statement for each employee of the NABDC including management, contractors, part-time, full-time, and non-paid \(volunteer\) personnel, providing services directly to the eligible public under an award from MBDA. This biographical statement shall contain: the full name of the employee, and a brief description of the expertise of the employee to include academic degrees, certifications and any other pertinent information with respect to that employee's qualifications to deliver minority business assistance services to eligible members of the public.](http://www.center-</p></div><div data-bbox=)

No third party advertising of commercial goods and services shall be permitted on the site. All links from the site to other than federal, state or local government agencies and non-profit educational institutions must be requested, in advance and in writing, through the Chief Information Officer, MBDA Office of Information Technology Services to the Grants Office for written approval. Such approval shall not be unreasonably withheld but approval is subject to withdrawal if MBDA determines the linked site unsuitable. No employee of the NABDC, nor any other person, shall use the NABDC Web site for any purpose other than that approved under the terms of the agreement between the recipient and MBDA. Every page of the Web site shall comply with Federal standards of the American With Disabilities Act, Section 508, and be reviewed by the recipient for accuracy, current, and appropriateness every three (3) months. Appropriate privacy notices and handicapped accessibility will be
