Does This Notice Affect Me?

This notice affects you if you own or lease land within the assessable acreage of one of our irrigation projects, or you have a carriage agreement with one of our irrigation projects.

Where Can I Get Information on the Regulatory and Legal Citations in This Notice?

You can contact the appropriate office(s) stated in the tables for the irrigation project that serves you, or you can use the Internet site for the Government Printing Office at <http://www.gpo.gov>.

Why Are You Publishing This Notice?

We are publishing this notice to notify you that we propose to adjust one or more of our irrigation assessment rates. This notice is published in accordance with the BIA's regulations governing its operation and maintenance of irrigation projects, specifically, 25 CFR 171.1. These sections provide for the fixing and announcing of the rates for annual assessments and related information for our irrigation projects.

What Authorizes You To Issue This Notice?

Our authority to issue this notice is vested in the Secretary of the Interior by 5 U.S.C. 301 and the Act of August 14, 1914 (38 Stat. 583; 25 U.S.C. 385). The Secretary has in turn delegated this authority to the Assistant Secretary—Indian Affairs under Part 209, Chapter 8.1A, of the Department of the Interior's Departmental Manual and by memorandum dated January 25, 1994, from the Chief of Staff, Department of the Interior, to Assistant Secretaries, and Heads of Bureaus and Offices.

When Will You Put the Rate Adjustments Into Effect?

We will put the rate adjustments into effect for the 2004 irrigation season and subsequent years where applicable.

How Do You Calculate Irrigation Rates?

We calculate irrigation assessment rates in accordance with 25 CFR 171.1(f) by estimating the cost of normal operation and maintenance at each of our irrigation projects. The cost of normal operation and maintenance means the expenses we incur to provide direct support or benefit for an irrigation project's activities for administration, operation, maintenance, and rehabilitation. These costs are then applied as stated in the rate table in this notice.

What Kinds of Expenses Do You Include in Determining the Estimated Cost of Normal Operation and Maintenance?

We include the following expenses:

(a) Personnel salary and benefits for the project engineer/manager and project employees under their management control;

(b) Materials and supplies;

(c) Major and minor vehicle and equipment repairs;

(d) Equipment, including transportation, fuel, oil, grease, lease and replacement;

(e) Capitalization expenses;

(f) Acquisition expenses;

(g) Maintenance of a reserve fund available for contingencies or emergency expenses for, and insuring, reliable operation of the irrigation project; and

(h) Other expenses we determine necessary to properly perform the activities and functions characteristic of an irrigation project.

When Should I Pay My Irrigation Assessment?

We will mail or hand deliver your bill notifying you of the amount you owe to the United States and when such amount is due. If we mail your bill, we will consider it as being delivered no later than 5 business days after the day we mail it. You should pay your bill no later than the close of business on the 30th day after the due date stated on the bill.

What Information Must I Provide for Billing Purposes?

We must obtain certain information from you to ensure we can properly process, bill for, and collect money owed to the United States. We are required to collect the taxpayer identification number or social security number to properly bill the responsible party and service the account under the authority of, and as prescribed in, Pub. L. 104-143, the Debt Collection Improvement Act of 1996.
