(3) the taxpayer identification number or social security number of the person or entity responsible for paying the bill.

(b) It is your responsibility to ensure we have correct and accurate information for paragraph (a) of this section.

(c) If you are late paying your bill due to your failure to furnish such information or comply with paragraph (b) of this section, you cannot appeal your bill on this basis.

What Can Happen If I Do Not Provide the Information Required for Billing Purposes?

We can refuse to provide you irrigation service.

If I Allow My Bill To Become Past Due, Could This Affect My Water Delivery?

If we do not receive your payment before the close of business on the 30th day after the due date stated on your bill, we will send you a past due notice.

Your bill will have additional information concerning your rights. We will consider your past due notice as delivered no later than 5 business days after the day we mail it. We have the right to refuse water delivery to any of your irrigated land on which the bill is past due. We can continue to refuse water delivery until you pay your bill or make payment arrangements that we agree to. Our authority to demand payment of your past due bill is 31 CFR 901.2, "Demand for Payment."

Are There Any Additional Charges If I Am Late Paying My Bill?

Yes. We will assess you interest on the amount owed and use the rate of interest established annually by the Secretary of the United States Treasury (Treasury) to calculate what you will be assessed (31 CFR 901.9(b)). You will not be assessed this charge until your bill is past due. However, if you allow your bill to become past due, interest will accrue from the due date, not the past due date. Also, you will be charged an administrative fee of \$12.50 for each time we try to collect your past due bill.

If your bill becomes more than 90 days past due, you will be assessed a penalty charge of 6 percent per year and it will accrue from the date your bill initially became past due. Our authority to assess interest, penalties, and administration fees on past due bills is prescribed in 31 CFR part 901.9, "Interest, penalties, and costs."

What Else Can Happen to My Past Due Bill?

If you do not pay your bill or make payment arrangements that we agree to, we are required to send your past due bill to the Treasury for further action. We must send your bill to Treasury no later than 180 days after the original due date of your irrigation assessment bill. The requirement for us to send your unpaid bill to Treasury is prescribed in 31 CFR part 901.1, "Aggressive agency collection activity."
