

effect in the area in which the source is located.

TABLE 6.—DEADLINES FOR TITLE V SOURCES

Submitting Title V Permit Applications	
If a CISWI unit is a major source or is part of a major source, and had commenced operation as of the effective date of the relevant title V permits program.	Then a complete title V application which covers the entire source <sup>6</sup> is due not later than 12 months (or earlier if required by the title V permitting authority) after the effective date of the relevant title V permits source, and had program. See CAA section 503(c) and 40 CFR 70.4(b)(11)(i), 71.4(i)(1), 70.5(a)(1)(i) and 71.5(a)(1)(i).
If a CISWI unit is a major source or is part of a major source but did not commence operation until after the relevant title V permits program became effective.	Then a complete title V application which covers the entire source is due not later than 12 months (or earlier if required by the title V permitting authority) after the date the source commences operation. See CAA section 503(c) and 40 CFR 70.5(a)(1)(i) and 71.5(a)(1)(i).
If a CISWI unit is a nonmajor source or is part of a nonmajor source, is subject to the CISWI NSPS (subpart CCCC of 40 CFR part 60), and had commenced operation as of December 1, 2000.	Then a complete title V application <sup>7</sup> is due not later than 12 months after subpart CCCC was promulgated, <i>i.e.</i> , December 1, 2001 (or earlier if required by the title V permitting authority). See CAA section 503(c) and 40 CFR 70.5(a)(1)(i) and 71.5(a)(1)(i).
If a CISWI unit is a nonmajor source or is part of a nonmajor source, is subject to the CISWI NSPS (subpart CCCC of 40 CFR part 60), but did not commence operation until after December 1, 2000.	Then a complete title V application is due not later than 12 months (or earlier if required by the title V permitting authority) after the date the source commences operation. See CAA section 503(c) and 40 CFR 70.5(a)(1)(i) and 71.5(a)(1)(i).
If a CISWI unit is a nonmajor source or is part of a nonmajor source, and is subject to an EPA approved and effective State or Tribal section 111(d)/129 plan.	Then a complete title V application is due not later than 12 months (or earlier if required by the title V permitting authority) after the effective date of the EPA approved State or Tribal section 111(d)/129 plan. <sup>8</sup> See CAA section 503(c) and 40 CFR 70.5(a)(1)(i) and 71.5(a)(1)(i). In no event, however, can such an existing CISWI unit submit a complete title V application after December 1, 2003, and have it be considered timely. See CAA section 129(e) and 40 CFR 62.14835 of subpart III.
If a CISWI unit is a nonmajor source or is part of a nonmajor source, and is subject to the CISWI Federal plan (subpart III of 40 CFR part 62).	Then a complete title V application is due not later than 12 months (or earlier if required by the title V permitting authority) after the effective date of 40 CFR part 62, subpart III. See CAA section 503(c) and 40 CFR 70.5(a)(1)(i) and 71.5(a)(1)(i). In no event, however, can such an existing CISWI unit submit a complete title V application after December 1, 2003 and have it be considered timely. See CAA section 129(e) and 40 CFR 62.14835 of subpart III.
If a CISWI unit is required to obtain a title V permit due to triggering more than one of the applicability criteria listed above or in 40 CFR 70.3(a) or 71.3(a).	
Then a complete title V application is due not later than 12 months (or earlier if required by the title V permitting authority) after the unit triggers the criterion which first causes the unit to be subject to title V. See CAA section 503(c) and 40 CFR 70.3(a) and (b), 70.5(a)(1), 71.3(a) and (b) and 71.5(a)(1). In no event, however, can an existing CISWI unit submit a complete title V application after December 1, 2003 and have it be considered timely. See CAA section 129(e) and 40 CFR 62.14835 of subpart III..	

## Reopening Title V Permits

If a CISWI unit is a major source or is part of a major source, is subject to the CISWI NSPS (subpart CCCC of 40 CFR part 60), and is covered by a title V permit with a remaining permit term of 3 or more years on December 1, 2000.	Then the title V permitting authority must complete a reopening of the source's title V permit to incorporate the requirements of 40 CFR part 60, subpart CCCC not later than June 1, 2002. See CAA section 502(b)(9); 40 CFR 70.7(f)(1)(i) and 71.7(f)(1)(i).
If a CISWI unit is a major source or is part of a major source, is subject to an EPA approved and effective State or Tribal section 111(d)/129 plan for CISWI units, and is covered by a title V permit with a remaining permit term of 3 or more years on the effective date of the EPA approved section 111(d)/129 plan.	Then the title V permitting authority must complete a reopening of the source's title V permit to incorporate the requirements of this EPA approved and effective section 111(d)/129 plan not later than 18 months after the effective date of this plan. See CAA section 502(b)(9); 40 CFR 70.7(f)(1)(i) and 71.7(f)(1)(i).

<sup>6</sup> A title V application from a major source must address all emissions units at the title V source, not just the section 129 emissions unit. See 40 CFR 70.3(c)(1) and 71.3(c)(1). (For information on aggregating emissions units to determine what is a source under title V, see the definition of major source in 40 CFR 70.2, 71.2, and 63.2.)

<sup>7</sup> Consistent with 40 CFR 70.3(c)(2) and 71.3(c)(2), a permit application from a nonmajor title V source

is only required to address the emissions units which caused the source to be subject to title V. The applicability criteria which determine the need for the owner or operator of a nonmajor source to apply for a title V permit are found in 40 CFR 70.3(a) and (b) and 71.3(a) and (b). Permits issued to these nonmajor sources must include *all* of the applicable requirements that apply to the triggering units, *e.g.*, State Implementation Plan requirements, section 111 or 112 requirements, etc. See footnote #2 in

Change to Definition of Major Source rule, November 27, 2001 (66 FR 59161, 59163).

<sup>8</sup> If a CISWI unit becomes subject to an approved and effective State or Tribal section 111(d)/129 plan after being subject to an effective Federal plan, the CISWI unit is still required to file a complete title V application consistent with the application deadlines for units subject to the CISWI Federal plan.
