

9. All research involving human subjects will be conducted with the informed consent of those subjects and in a manner that will ensure their privacy and freedom from risk or harm and the protection of persons who are not subjects of the research but would be affected by it, unless such procedures and safeguards would make the research impractical. In such instances, the Institute must approve procedures designed by the grantee to provide human subjects with relevant information about the research after their involvement and to minimize or eliminate risk or harm to those subjects due to their participation.
10. All products prepared as the result of the project will be originally-developed material unless otherwise specifically provided for in the award documents, and that material not originally developed that is included in such projects must be properly identified, whether the material is in a verbatim or extensive paraphrase format.
11. No funds will be obligated for publication or reproduction of a final product developed with Institute funds without the written approval of the Institute. The recipient will submit a final draft of each such product to the Institute for review and approval prior to submitting that product for publication or reproduction.
12. The following statement will be prominently displayed on all products prepared as a result of the project:
This [document, film, videotape, etc.] was developed under a [grant, cooperative agreement, contract] from the State Justice Institute. Points of view expressed herein are those of the [author(s), filmmaker(s), etc.] and do not necessarily represent the official position or policies of the State Justice Institute.
13. THE "SJI" logo will appear on the front cover of a written product or in the opening frames of a video production produced with SJI funds, unless another placement is approved in writing by the Institute.
14. Except as otherwise provided in the terms and conditions of an Institute award, the recipient is free to copyright any books, publications, or other copyrightable materials developed in the course of an Institute-supported project, but the Institute shall reserve a royalty-free, non-exclusive and irrevocable right to reproduce, publish, or otherwise use, and to authorize others to use, the materials for purposes consistent with the State Justice Institute Act.
15. It will submit quarterly progress and financial reports within 30 days of the close of each calendar quarter during the funding period (that is, no later than January 30, April 30, July 30, and October 30); that progress reports will include a narrative description of project activities during the calendar quarter, the relationship between those activities and the task schedule and objectives set forth in the approved application or an approved adjustment thereto, any significant problem areas that have developed and how they will be resolved, and the activities scheduled during the next reporting period; and that financial reports will contain the information requested on the financial report form included in the award documents.
16. At the conclusion of the project, title to all expendable and nonexpendable personal property purchased with Institute funds shall vest in the court, organization or individual that purchased the property if certification is made to the Institute that the property will continue to be used for the authorized purposes of the Institute-funded project or other purposes consistent with the State Justice Institute Act, as approved by the Institute. If such certification is not made or the Institute disapproves such certification, title to all such property with an aggregate or individual value of \$1,000 or more shall vest in the Institute, which will direct the disposition of the property.
17. The person signing the application is authorized to do so on behalf of the applicant and to obligate the applicant to comply with the assurances enumerated above.
