

concludes that (i) producers accounting for substantially all of the production of the domestic like product to which the order pertains have expressed a lack of interest in the relief provided by the order, in whole or in part, or (ii) if other changed circumstances sufficient to warrant revocation exist. Since the Department did not receive any comments during the comment period opposing the exclusion of certain grade 1080 tire cord quality wire rod and grade 1080 tire bead quality wire rod, as defined in the "Scope of Changed Circumstances Review" above, from the antidumping duty and countervailing duty orders, we preliminarily conclude that producers accounting for substantially all of the production of the domestic like product to which these orders pertain lack interest in the relief provided by the order. Unless the Department receives opposition from domestic producers whose production totals more than 15 percent of the domestic like product, the Department will partially revoke the orders on carbon and certain alloy steel wire rod in its final results of review. Therefore, the Department is preliminarily revoking the orders on carbon and certain alloy steel wire rod from Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine, in part, for all entries after the date of the petitioners' request with regard to the products which meet the specifications above.

The Department has considered interested parties' comments concerning the effective date of liquidation of entries. As a result, we intend to instruct Customs to liquidate all entries of subject products entered for consumption on or after July 24, 2003, the effective date of the revocation, in part, of these orders, in accordance with 19 CFR 351.222(g)(4).

Interested parties wishing to comment on these preliminary results may submit briefs to the Department no later than 16 days after the publication of this notice in the **Federal Register**. Parties will have five days subsequent to this due date to submit rebuttal comments, limited to the issues raised in those comments. Parties who submit comments or rebuttal comments in this proceeding are requested to submit with the argument (1) a statement of the issue and (2) a brief summary of the argument (no longer than five pages, including footnotes). Any requests for hearing must be filed within 30 days of the publication of this notice in the **Federal Register**.

All written comments must be submitted in accordance with 19 CFR 351.303, with the exception that only

three (3) copies for each case need be served on the Department. Any comments must also be served on all interested parties on the Department's service list. The Department will issue its final results of review as soon as practicable following the above comment period, but not later than 270 days after the date on which the changed circumstances review is initiated, in accordance with 19 CFR 351.216(e), and will publish these results in the **Federal Register**. While the changed circumstances review is underway, the current requirement for a cash deposit of estimated antidumping or countervailing duties on all subject merchandise, including the merchandise that is the subject of this changed circumstances review, will continue unless and until these orders are revoked, in part, pursuant to the final results of this changed circumstances review or an administrative review.

This notice is published in accordance with sections 751(b)(1) and 777(i)(1) of the Tariff Act and 19 CFR 351.216 and 351.222 of the Department's regulations.

Dated: September 29, 2003.

#### Scope of the Investigation

For purposes of this investigation, the products covered are all varieties of

The merchandise subject to this investigation is currently classifiable under the following Harmonized Tariff Schedule of the United States ("HTSUS") subheadings: 1001.90.10.00, 1001.90.20.05, 1001.90.20.11, 1001.90.20.12, 1001.90.20.13, 1001.90.20.14, 1001.90.20.16, 1001.90.20.19, 1001.90.20.21, 1001.90.20.22, 1001.90.20.23, 1001.90.20.24, 1001.90.20.26, 1001.90.20.29, 1001.90.20.35, and 1001.90.20.96. This investigation does not cover imports of wheat that enter under the subheadings 1001.90.10.00 and 1001.90.20.96 that are not classifiable as hard red spring wheat. Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

#### Amended Final Determination

On August 28, 2003, the Department of Commerce ("the Department") determined that HRS wheat from Canada is being, or is likely to be, sold in the United States at less than fair value ("LTFV"), as provided in section 735(a) of the Tariff Act of 1930, as amended ("the Act"). See *Notice of Final Determinations of Sales at Less Than Fair Value: Certain Durum and Hard Red Spring Wheat from Canada*, 68 FR 52741 (September 5, 2003). On September 8, 2003, we received ministerial error allegations, timely filed pursuant to 19 CFR 351.224(c)(2), from the Canadian Wheat Board ("the CWB") regarding the Department's final margin calculations. The CWB requests that we correct the errors and publish a notice of amended final determination in the **Federal Register**, pursuant to 19 CFR 351.224(e). The CWB's submission alleges the following with regard to the Department's cost of production ("COP") calculations.

*Farmer 8*—The CWB alleges that the Department inadvertently double-counted seed cleaning costs.

*Farmer 17*—The CWB alleges that the Department inadvertently double-counted certain labor costs.

*Farmer 19*—The CWB alleges that the Department inadvertently used an incorrect production quantity for the calculation of the crop insurance offset.

*Farmer 20*—The CWB alleges that the Department inadvertently allocated water rights costs to owned and rented land, rather than just owned land. The CWB also alleges that the Department
