1. *Statement for Determining Continuing Eligibility, Supplemental Security Income Payment—20 CFR, Subpart D, 416.204—0960-0145.* SSA uses form SSA-8202-BK to conduct low- and middle-error-profile (LEP-MEP) telephone or face-to-face redetermination (RZ) interviews with SSI recipients and representative payees. The information collected during the interview is used to determine whether SSI recipients have met and continue to meet all statutory and regulatory requirements for SSI eligibility and whether they have been, and are still receiving, the correct payment amount. Form SSA-8202-OCR-SM (Optical Character Recognition Self-Mailer) collects information similar to that collected on Form SSA-8202-BK. However, it is used exclusively in LEP RZ cases on a 6-year cycle.
