OFFICE OF MANAGEMENT AND BUDGET

Office of Federal Financial Management Policy Directive on Use of Grants.gov FIND

AGENCY: Office of Management and Budget.

ACTION: Notice of issuance of final policy directive.

SUMMARY: The Office of Federal Financial Management (OFFM) is issuing a policy directive requiring Federal agencies to use the Grants.gov FIND module to electronically post synopses of funding opportunities under Federal financial assistance programs that award discretionary grants and cooperative agreements. The policy directive includes an attachment which contains the government-wide standard set of data elements to be used by Federal agencies when posting synopses at <http://www.Grants.gov> or such Web site/Internet address designated by the Office of Management and Budget (OMB). The purpose of the Grants.gov FIND module is to provide potential applicants with (1) enough information about any funding opportunity to decide whether they are interested in viewing the full announcement; (2) information on one or more ways to obtain the full announcement (e.g., an Internet site, e-mail address or telephone number); and (3) one common Web site for all Federal grant opportunities searchable by key word, date, Catalog of Federal Domestic Assistance (CFDA) number or specific agency name. The Federal agencies jointly developed the standard data elements to be used for posting the synopses information as part of their grant streamlining efforts to implement the Federal Financial Assistance Management Improvement Act of 1999 (Public Law 106-107).
