

2003, Carus requested an administrative review of Groupstars Chemicals Co., Ltd.-Shandong, Groupstars Chemical Co., Ltd.-Yunnan, JCC and the Jianshui Chemical Plant. Based on these requests, the Department initiated an administrative review of Groupstars Chemicals, LLC, Groupstars Chemicals Co., Ltd.-Shandong, Groupstars Chemical Co., Ltd.-Yunnan, JCC and the Jianshui Chemical Plant.

The Department is rescinding its review of the companies named in Carus' request for review because Carus has withdrawn its request. See Carus' September 16, 2003 letter to the Department. Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. Although Carus withdrew its request after the 90-day period, there were no other requests to review any of the companies for which Carus requested a review, and the review for these companies had not yet progressed beyond a point where it would have been unreasonable to allow Carus to withdraw its request for a review. This action is consistent with the approach taken in past antidumping proceedings. See *Frozen Concentrated Orange Juice From Brazil; Final Results and Partial Rescission of Antidumping Duty Administrative Review*, 67 FR 40913, 40914 (June 14, 2002) where, pursuant to a request filed after the 90 day deadline, the Department rescinded the review. Additionally, 19 CFR 351.213(d)(1) provides that the Secretary may extend the time limit for withdrawal requests where it is reasonable. Therefore, for the above stated reasons, the Department pursuant to 19 CFR 351.213(d)(1), has decided that it is reasonable to accept Carus' withdrawal of its request for review.

Furthermore, with respect to the remaining review request, we have determined that it is appropriate to rescind the review of Groupstars Chemicals, LLC because this company is a U.S. importer, rather than an exporter or producer, of subject merchandise and it failed to identify the exporter(s) or producer(s) to be reviewed. See Groupstars Chemicals, LLC's January 28, 2003 letter to the Department. Section 351.213(b) of the Department regulations requires that reviews be requested for particular exporters or producers. See 19 CFR 351.213(b)(1) stating that domestic interested parties may request an administrative review of "specified individual exporters or producers"; 19 CFR 351.213(b)(2)

stating that an exporter or producer may request an "administrative review of only that person;" 19 CFR 351(b)(3) stating that an importer of subject merchandise may request an administrative review of only an "exporter or producer * * * of the subject merchandise imported by that importer." Moreover, the courts have held that the party requesting the review, not the Department, bears the burden of naming and selecting the proper party to be reviewed. See e.g., *Floral Trade Council v. United States*, 888 F.2d 1366, 1369 (Fed. Cir. 1989) (where the Court of Appeals for the Federal Circuit held that a request for an administrative review must be for review of "specified individual * * * producers [] or exporters"). Additionally, in past PRC cases, the Department has rescinded administrative reviews when requesting parties failed to identify the actual PRC exporter of the subject merchandise in their review requests. See *Iron Construction Castings from the People's Republic of China: Rescission of Antidumping Duty Administrative Review*, 68 FR 33103-01 (June 3, 2003) (in which the Department rescinded the review because the company for which the review was requested and initiated was not an exporter of subject merchandise, but a producer of subject merchandise); see also *Certain Cased Pencils From the People's Republic of China; Final Results and Partial Rescission of Antidumping Duty Administrative Review*, 66 FR 1638-02 (January 9, 2001) (in which a party requested a review of the producer of subject merchandise, rather than the exporter of subject merchandise); see also *Laizhou City Guangming Pencil-Making Co. Ltd., Et Al., v. United States*, No. 02-151, Slip Op. 02-151, 01-00047 (Ct. Int'l Trade December 18, 2002). Because Groupstars Chemicals, LLC is not a PRC exporter of the subject merchandise, and failed to identify any PRC exporter(s) of the subject merchandise in its review request, and with Carus' withdrawal of its review requests, the Department is rescinding this review with respect to Groupstars Chemicals, LLC.

The Department will issue appropriate assessment instructions to the U.S. Bureau of Customs and Border Protection.

Notification to Interested Parties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries

during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This determination and notice are issued and published in accordance with 19 CFR 351.213(d)(4) and, sections 751(a)(2)(c)) and 777(i)(1) of the Act.

Dated: October 2, 2003.

James J. Jochum,

Assistant Secretary for Import Administration.
