The term "audit or review" does not include providing assistance in developing a bookkeeping system, providing routine bookkeeping services, or merely compiling information from the labor organization's books and records to prepare Form LM-2 or other financial reports. Also, do not answer "Yes" to Item 12 if an audit committee or trustees of the labor organization performed the audit or review.

13. LOSSES OR SHORTAGES —

Answer "Yes" to Item 13 if the labor organization experienced a loss, shortage, or other discrepancy in its finances during the period covered. Describe the loss or shortage in detail in Item 69 (Additional Information), including such information as the amount of the loss or shortage of funds or a description of the property that was lost, how it was lost, and to what extent, if any, there has been an agreement to make restitution or any recovery by means of repayment, fidelity bond, insurance, or other means.

14. FIDELITY BOND — Enter the maximum amount recoverable for a loss caused by any officer, employee, or agent of the labor organization who handled the labor organization's funds. Enter "0" if the labor organization was not covered by a fidelity bond during the reporting period.

NOTE: *If a labor organization has property and annual financial receipts that totaled \$5,000 or more, each of the labor organization's officers, employees, and agents who handles funds or other property of the labor organization must be bonded. The amount of the bond must be at least 10% of the value of the funds handled by the individual during the last reporting period, up to a maximum bond of \$500,000. The bond must be obtained from a surety company approved by the Secretary of the Treasury. If you have any questions or need more information about bonding requirements, contact the nearest OLMS field office listed at the end of these instructions.*

Also report in Item 69 the cost or other basis at which any acquired assets were entered on the labor organization's books or the cost or other basis at which any assets disposed of were carried on the labor organization's books. For example, assets may be entered on the labor organization's books at cost and carried at that value; carried at cost less accumulated depreciation; or carried at scrap value or other nominal value because the assets were fully depreciated or were expensed when purchased (that is, the cost was charged to current expenses rather than entered on the books and periodically depreciated).
