

We will instruct the Customs Service to allow, at the option of the importer, the posting, until the completion of the review, of a single entry bond or security in lieu of a cash deposit for certain entries of the merchandise exported by the above-listed companies. This action is in accordance with 19 CFR 351.214(e). As Sichuan Dubao has certified that it both produced and exported the subject merchandise, we will instruct Customs to limit Sichuan Dubao's bonding option only to such merchandise for which it is both the producer and exporter. For Shanghai Xiuwei, which has identified Henan Oriental as the producer of subject merchandise for the sale under review, we will instruct Customs to limit the bonding option only to entries of subject merchandise from Shanghai Xiuwei that were produced by Henan Oriental.

Interested parties that need access to proprietary information in these new shipper reviews should submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305 and 351.306. This initiation and notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.214(d).

Dated: January 30, 2003.
