Bureau of Educational and Cultural Affairs Request for Grant Proposals: Partnerships for Learning Undergraduate Studies Program

ACTION: Notice.

SUMMARY: The Office of Academic Exchange Programs of the Bureau of Educational and Cultural Affairs announces an open competition for Partnerships for Learning Undergraduate Studies (PLUS) Program. Public and private non-profit organizations with at least four years of experience in conducting international exchange programs and meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3) may submit proposals to provide administrative and program support services for the PLUS Scholarship Program.

Program Information

Overview: Under the Partnerships for Learning Initiative, the Bureau created the Partnerships for Learning Undergraduate Studies (PLUS) Program in order to reach a broader sector of college-age youth (generally, 17-22 years of age) from diverse backgrounds and provide them with a greater understanding of U.S. institutions, society and culture. The goal of the PLUS Program is to identify and support undergraduate level study at accredited higher education institutions in the United States for a select cadre of academically talented undergraduate students from the Middle East and North Africa who exhibit leadership potential in contributing to the economic, political and social development of the region. PLUS scholarships are offered for the final two

years of undergraduate level study in the social sciences and humanities, with the provision of pre-academic training to develop participant academic readiness and English-language abilities. (The pre-academic training program is detailed under a separate Request for Grant Proposals solicitation.) The program participants should be placed in clusters. In general five to ten participants may be placed in a single institution. In negotiation with the host institution, the cooperating agency needs to develop opportunities for students to receive a U.S. degree upon successful completion of the course of work and other requirements.

The Bureau's Office of Academic Exchange Programs administers the PLUS Program and is responsible for allocation of funding, policy guidance and administrative oversight. Program participants are recruited, screened and nominated by America-Mideast Educational and Training Services (Amideast) and/or Public Affairs Sections of the U.S. Embassies or Fulbright Commissions in the region. Final selection of grantees is determined by an independent review panel in Washington, DC.

The successful applicant will have responsibility for program administration, which involves performance of services in the following broad categories: Program Planning and Management; Placement; Supervision and Support Services; Special Programs Management; Fiscal Management; and Program Projection, Reporting, Alumni Follow-on and Evaluation Services.

Guidelines: Program administration activities should cover the time period January 15, 2004 through August 30, 2006. The expected grantee caseload is projected to be 75-100 principal candidates for academic years 2004-2005 and 2005-2006. Programs must comply with J-1 visa regulations. Please refer to Solicitation Package for further information.

Budget Guidelines

The Bureau anticipates awarding one grant in the amount up to \$3,650,000 to support program and administrative costs required to implement this phase of the PLUS Program. Bureau grant guidelines require that organizations with less than four years experience in conducting international exchanges be limited to \$60,000 in Bureau funding. Therefore, organizations with less than four years experience in conducting international exchanges are ineligible to apply under this competition. The Bureau encourages applicants to provide maximum levels of cost-sharing and funding in support of its programs.
