4. Summary of Options

Table 47 of this document gives a summary of the costs associated with the prior notice rule for each option presented. The costs associated with the prior notice requirements are included for each option for all modes of

transportation. These costs include the following items: Learning the rule, coordinating the required information, acquiring computer equipment, and annual submission costs for all imported food shipments. The cost of lost value for perishable products is

included in each option calculation depending on mode of transportation and minimum prior notice submission time. Lost truck time is included for options with longer timeframes.
