

AA. “*Pre-Funding Account*” means an Issuer account (i) which is established to purchase additional obligations, which obligations meet the conditions set forth in clauses (a)–(g) of subsection II.A.(7); and (ii) which meets the requirements of clause (c) of subsection III.B.(3).

BB. “*Pre-Funding Limit*” means a percentage or ratio of the amount allocated to the Pre-Funding Account, as compared to the total principal amount of the Securities being offered which is less than or equal to 25 percent.

CC. “*Pre-Funding Period*” means the period commencing on the Closing Date and ending no later than the earliest to occur of (i) the date the amount on deposit in the Pre-Funding Account is less than the minimum dollar amount specified in the Pooling and Servicing Agreement; (ii) the date on which an event of default occurs under the Pooling and Servicing Agreement; or (iii) the date which is the later of three months or 90 days after the Closing Date.

DD. “*Designated Transaction*” means a securitization transaction in which the assets of the Issuer consist of secured consumer receivables, secured credit instruments or secured obligations that bear interest or are purchased at a discount and are: (i) Motor vehicle, home equity and/or manufactured housing consumer receivables; and/or (ii) motor vehicle credit instruments in transactions by or between business entities; and/or (iii) single-family residential, multi-family residential, home equity, manufactured housing and/or commercial mortgage obligations that are secured by single-family residential, multi-family residential, commercial real property or leasehold interests therein. For purposes of this section III.CC., the collateral securing motor vehicle consumer receivables or motor vehicle credit instruments may include motor vehicles and/or Qualified Motor Vehicle Leases.

EE. “*Ratings Dependent Swap*” means an interest rate swap, or (if purchased by or on behalf of the Issuer) an interest rate cap contract, that is part of the structure of a class of Securities where the rating assigned by the Rating Agency to any class of Securities held by any plan is dependent on the terms and conditions of the swap and the rating of the counterparty, and if such Security rating is not dependent on the existence of the swap and rating of the counterparty, such swap or cap shall be referred to as a “Non-Ratings Dependent Swap”. With respect to a Non-Ratings Dependent Swap, each Rating Agency rating the Securities must confirm, as of

the date of issuance of the Securities by the Issuer, that entering into an Eligible Swap with such counterparty will not affect the rating of the Securities.

FF. “*Eligible Swap*” means a Ratings Dependent or Non-Ratings Dependent Swap:

(1) Which is denominated in U.S. dollars;

(2) Pursuant to which the Issuer pays or receives, on or immediately prior to the respective payment or distribution date for the class of Securities to which the swap relates, a fixed rate of interest, or a floating rate of interest based on a publicly available index (e.g., the London Interbank Offered Rate (LIBOR) or the U.S. Federal Reserve’s Cost of Funds Index (COFI)), with the Issuer receiving such payments on at least a quarterly basis and obligated to make separate payments no more frequently than the counterparty, with all simultaneous payments being netted;

(3) Which has a notional amount that does not exceed either: (i) The principal balance of the class of Securities to which the swap relates, or (ii) the portion of the principal balance of such class represented solely by those types of corpus or assets of the Issuer referred to in subsections III.B.(1), (2) and (3);

(4) Which is not leveraged (i.e., payments are based on the applicable notional amount, the day count fractions, the fixed or floating rates designated in subsection III.EE.(2), and the difference between the products thereof, calculated on a one to one ratio and not on a multiplier of such difference);

(5) Which has a final termination date that is either the earlier of the date on which the Issuer terminates or the related class of securities is fully repaid; and

(6) Which does not incorporate any provision which could cause a unilateral alteration in any provision described in subsections III.EE.(1) through (4) without the consent of the Trustee.

GG. “*Eligible Swap Counterparty*” means a bank or other financial institution which has a rating, at the date of issuance of the Securities by the Issuer, which is in one of the three highest long-term credit rating categories, or one of the two highest short-term credit rating categories, utilized by at least one of the Rating Agencies rating the Securities; provided that, if a swap Counterparty is relying on its short-term rating to establish eligibility under the Underwriter Exemption, such swap Counterparty must either have a long-term rating in one of the three highest long-term rating categories or not have a long-term rating

from the applicable Rating Agency, and provided further that if the class of Securities with which the swap is associated has a final maturity date of more than one year from the date of issuance of the Securities, and such swap is a Ratings Dependent Swap, the swap Counterparty is required by the terms of the swap agreement to establish any collateralization or other arrangement satisfactory to the Rating Agencies in the event of a ratings downgrade of the swap Counterparty.

HH. “*Qualified Plan Investor*” means a plan investor or group of plan investors on whose behalf the decision to purchase Securities is made by an appropriate independent fiduciary that is qualified to analyze and understand the terms and conditions of any swap transaction used by the Issuer and the effect such swap would have upon the credit ratings of the Securities. For purposes of the Underwriter Exemption, such a fiduciary is either:

(1) A “qualified professional asset manager” (QPAM),⁶ as defined under Part V(a) of PTE 84–14, 49 FR 9494, 9506 (March 13, 1984);

(2) An “in-house asset manager” (INHAM),⁷ as defined under Part IV(a) of PTE 96–23, 61 FR 15975, 15982 (April 10, 1996); or

(3) A plan fiduciary with total assets under management of at least \$100 million at the time of the acquisition of such Securities.

II. “*Excess Spread*” means, as of any day funds are distributed from the Issuer, the amount by which the interest allocated to Securities exceeds the amount necessary to pay interest to securityholders, servicing fees and expenses.

JJ. “*Eligible Yield Supplement Agreement*” means any yield supplement agreement, similar yield maintenance arrangement or, if purchased by or on behalf of the Issuer, an interest rate cap contract to supplement the interest rates otherwise

⁶ PTE 84–14 provides a class exemption for transactions between a party in interest with respect to an employee benefit plan and an investment fund (including either a single customer or pooled separate account) in which the plan has an interest, and which is managed by a QPAM, provided certain conditions are met. QPAMs (e.g., banks, insurance companies, registered investment advisers with total client assets under management in excess of \$50 million) are considered to be experienced investment managers for plan investors that are aware of their fiduciary duties under ERISA.

⁷ PTE 96–23 permits various transactions involving employee benefit plans whose assets are managed by an INHAM, an entity which is generally a subsidiary of an employer sponsoring the plan which is a registered investment adviser with management and control of total assets attributable to plans maintained by the employer and its affiliates which are in excess of \$50 million.
