SUPPLEMENTARY INFORMATION: This notice announces a meeting of the Aging Transport Systems Rulemaking Advisory Committee. The FAA will hold the meeting at the location listed under the **ADDRESSES** heading of this notice. The purpose of the meeting is to discuss the status of the three new tasks the FAA assigned to the ATSRAC (68 FR 31741, May 28, 2003). These tasks include:

- Providing recommendations about aging airplane wiring issues such as alternatives to rulemaking, providing technical and economic data, and helping to disposition comments to rulemakings;
- Helping to develop strategies for technology transfer of aviation-related research and development products to the aviation community in a manner that optimizes their transfer and optimizes the benefits resulting from their transfer; and
- Setting up criteria for upgrading and developing enhanced wiring inspection procedures for use by manufacturers of small transport airplanes.

The meeting is open to the public; however, attendance will be limited by the size of the meeting room. The FAA will make the following services available if you request them by October 17, 2003:

- Teleconferencing;
- Sign and oral interpretation; and
- A listening device.

Individuals using the teleconferencing service and calling from outside the Washington, DC, metropolitan area will be responsible for paying long-distance charges. To arrange for any of these services, contact the person listed under the **FOR FURTHER INFORMATION CONTACT** heading of this notice.

The public may present written statements to the Committee by providing 20 copies to the Committee's Executive Director or by bringing the copies to the meeting. Public statements will be considered if time allows.

Issued in Washington, DC, on October 8, 2003.

Tony F. Fazio,

Director, Office of Rulemaking.

[FTA Docket No. FTA-2003-16299]

Notice of Request for the Extension of Currently Approved Information Collection

AGENCY: Federal Transit Administration, DOT.

ACTION: Notice of request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the intention of the Federal Transit Administration (FTA) to request the Office of Management and Budget (OMB) to extend the following currently approved information collection:

Pre-Award and Post-Delivery Review Requirements.

DATES: Comments must be submitted before December 15, 2003.

ADDRESSES: All written comments must refer to the docket number that appears at the top of this document and be submitted to the United States Department of Transportation, Central Dockets Office, PL-401, 400 Seventh Street, SW., Washington, DC 20590. All comments received will be available for examination at the above address from 10 a.m. to 5 p.m., e.t., Monday through Friday, except Federal holidays. Those desiring notification of receipt of comments must include a self-addressed, stamped postcard/envelope.

FOR FURTHER INFORMATION CONTACT: *Pre-Award and Post-Delivery Review Requirements*—Pat Simpich, Office of Program Management (202) 366-1645.

SUPPLEMENTARY INFORMATION: Interested parties are invited to send comments regarding any aspect of this information collection, including: (1) The necessity and utility of the information collection for the proper performance of the functions of the FTA; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the collected information; and (4) ways to minimize the collection burden without reducing the quality of the collected information. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection.

Title: Pre-Award and Post-Delivery Review Requirements (*OMB Number:* 2132-0544)

Background: Under the Federal Transit Laws, at 49 U.S.C. 5323(l), grantees must certify that pre-award and post-delivery reviews will be conducted when using FTA funds to purchase

revenue service vehicles. FTA regulation 49 CFR part 663 implements this law by specifying the actual certificates that must be submitted by each bidder to assure compliance with the Buy America, contract specification, and vehicle safety requirements for rolling stock. The information collected on the certification forms is necessary for FTA grantees to meet the requirements of 49 U.S.C. 5323(l).

Respondents: State and local government, business or other for-profit institutions, non-profit institutions, and small business organizations.

Estimated Annual Burden on

Respondents: 4.32 hours for each of the 700 respondents.

Estimated Total Annual Burden:

3,024 hours.

Frequency: Annual.

Issued: September 17, 2003.

Rita L. Wells,

Associate Administrator for Administration.

Environmental Impact Statement for the Long Island Rail Road Huntington/Port Jefferson Branch Yard

AGENCY: Federal Transit Administration (FTA), U.S. Department of Transportation (DOT).

ACTION: Notice of intent to prepare an environmental impact statement.

SUMMARY: The Federal Transit Administration (FTA) and the Metropolitan Transportation Authority (MTA) Long Island Rail Road (LIRR) intend to prepare an Environmental Impact Statement (EIS) in accordance with the National Environmental Policy Act (NEPA) analyzing alternatives to meet LIRR's need to store electric train cars on the railroad's Huntington/Port Jefferson Branch in Suffolk County, New York. As required by the Record of Decision issued by the FTA on May 21, 2001, for the MTA LIRR East Side Access Project, the EIS will be tiered from the Final EIS issued for the East Side Access Project in March 2001. As stated in the Final EIS for the East Side Access project, under a tiered NEPA EIS approach, the lead agency focuses on the issues that are ripe for decision in the first-tier document and prepares further environmental analyses as elements of the subsequent actions become adequately defined.

FTA and MTA/LIRR are notifying interested parties of the intent to
