Comments must be submitted, in English, to the Chairman of the GSP Subcommittee of the Trade Policy Committee (TPSC) as soon as possible but not later than 5 p.m. on February 21, 2003. Comments submitted after this date may be considered at the discretion of the GSP Subcommittee until the time its advice is provided to the TPSC.

Submissions in response to this notice will be subject to public inspection by appointment with the staff of the USTR Public Reading Room, except for information granted "business confidential" status pursuant to 15 CFR 2003.6.

If the submission contains business confidential information, a non-confidential version of the submission must also be submitted that indicates where confidential information was redacted by inserting asterisks where material was deleted. In addition, the confidential submission must be clearly marked "BUSINESS CONFIDENTIAL" at the top and bottom of each and every page of the document. The public version which does not contain business confidential information must also be clearly marked at the top and bottom of each and every page (either "PUBLIC VERSION" or "NON-CONFIDENTIAL").

In order to facilitate prompt consideration of submissions, USTR strongly urges and prefers electronic e-mail submissions in response to this notice. In the event that an e-mail submission is impossible, submissions should be made by facsimile. These submissions should be single copy transmissions in English with the total submission not to exceed 50 single-spaced pages and 3 megabytes as a digital file attached to an e-mail transmission. Persons making submissions by e-mail should use the following subject line: "Comments on 2002 CNL Review" Documents must be submitted as either WordPerfect (".WPD"), MSWord (".DOC"), or text (".TXT") files. Documents should not be submitted as electronic image files or contain imbedded images (for example, ".JPG", ".PDF", ".BMP", or ".GIF") as such files are generally excessively large. E-mail submissions containing such files may not be accepted. Supporting documentation submitted as spreadsheets are acceptable as Quattro Pro or Excel, pre-formatted for printing on 8½ x 11 inch paper. To the extent possible, any data attachments to the submission should be included in the same file as the submission itself, and not as separate files. Facsimile submissions should include, among other identifying information specified in the regulations, the following information at the top of the first page: "Comments on 2002 CNL Review."

For any document containing business confidential information submitted as an electronic attached file to an e-mail transmission, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P-" or "BC-" should be followed by the name of the party (government, company, union, association, etc.) which is submitting the petition.

Parties who make submissions by e-mail should not provide separate cover letters or messages in the message area of the e-mail; information that might appear in any cover letter should be included directly in the attached file containing the submission itself. The e-mail address for these submissions is [FR0052@ustr.gov](mailto:FR0052@ustr.gov).

Public versions of all documents relating to this review will be available for review approximately three weeks after the due date by appointment in the USTR Public Reading Room, 1724 F Street NW., Washington, DC. Availability of documents may be ascertained, and appointments may be made from 9:30 a.m. to noon and 1 p.m. to 4 p.m., Monday through Friday, by calling (202) 395-6186.
