(E) *Reporting period.* The reporting period of the IFQ Buyer Report shall extend from October 1 through September 30 of the following year, inclusive.

(ii) *IFQ permit holder Fee Submission Form—(A) Applicability.* An IFQ permit holder who holds an IFQ permit against which a landing was made must submit to NMFS a complete IFQ permit holder Fee Submission Form provided by NMFS.

(B) *Due date and submittal.* A complete IFQ permit holder Fee Submission Form must be postmarked or received by the Regional Administrator not later than January 31 following the calendar year in which any IFQ landing was made.

(C) *Contents of an IFQ Fee Submission Form.* For each of the sections described here, a permit holder must provide the specified information.

(1) *Identification of the IFQ permit holder.* An IFQ permit holder with an IFQ landing must accurately record on the identification section of the IFQ Fee Submission Form the following information:

(i) The printed name of the IFQ permit holder;

(ii) The NMFS person identification number;

(iii) The Social Security number or tax ID number of the IFQ permit holder;

(iv) The business mailing address of the IFQ permit holder; and

(v) The telephone and facsimile number (if available) of the IFQ permit holder.

(2) *IFQ landing summary and estimated fee liability.* NMFS will provide to an IFQ permit holder an IFQ Landing Summary and Estimated Fee Liability page as required by § 679.45(a)(2). The IFQ permit holder must either accept the accuracy of the NMFS estimated fee liability associated with his or her IFQ landings for each IFQ permit, or calculate a revised IFQ fee liability in accordance with

paragraph (l)(7)(ii)(C)(2)(i) of this section. The IFQ permit holder may calculate a revised fee liability for all or part of his or her IFQ landings.

(i) *Revised fee liability calculation.* To calculate a revised fee liability, an IFQ permit holder must multiply the IFQ percentage in effect by either the IFQ actual ex-vessel value or the IFQ standard ex-vessel of the IFQ landing. If parts of the landing have different values, the permit holder must apply the appropriate values to the different parts of the landings.

(ii) *Documentation.* If NMFS requests in writing that a permit holder submit documentation establishing the factual basis for a revised IFQ fee liability, the permit holder must submit adequate documentation by the 30th day after the date of such request. Examples of such documentation regarding initial sales transactions of IFQ landings include valid fish tickets, sales receipts, or check stubs that clearly identify the IFQ landing amount, species, date, time, and ex-vessel value or price.

(3) *Fee calculation section.—(i) Information required.* An IFQ permit holder with an IFQ landing must record the following information on the Fee Calculation page: The name of the IFQ permit holder; the NMFS person identification number; the fee liability amount due for each IFQ permit he or she may hold; the IFQ permit number corresponding to such fee liability amount(s) due; the total price adjustment payment value for all IFQ halibut and/or sablefish (e.g., IFQ retro-payments) received during the reporting period for the IFQ Fee Submission Form as described in § 679.5(l)(7)(ii)(D); and the fee liability amount due for such price adjustments.

(ii) *Calculation of total annual fee amount.* An IFQ permit holder with an IFQ landing must perform the following calculations and record the results on the Fee Calculation page: add all fee liability amount(s) due for each IFQ permit and record the sum as the sub-total fee liability for all permits;

multiply price adjustment payment(s) received for each IFQ species by the fee percentage in effect at the time the payment(s) was received by the IFQ permit holder; add the resulting fee liability amounts due for all price adjustment payments for each IFQ species, then enter the sum as the sub-total fee for price adjustments; add the sub-total fee liability for all permits and the sub-total fee for price adjustments, then enter the resulting sum as the total annual fee amount on the Fee Calculation page and on the Fee Payment page.

(4) *Fee payment and certification section.—(i) Information required.* An IFQ permit holder with an IFQ landing must provide his or her NMFS person identification number, signature, and date of signature on the Fee Payment section of the form or provide the electronic equivalent and record the following: his or her printed name; the total annual fee amount as calculated and recorded on the Fee Calculation page; the total of any pre-payments submitted to NMFS that apply to the total annual fee amount; the remaining balance fee; and the enclosed payment amount.

(ii) *Calculation of balance fee payment.* An IFQ permit holder with an IFQ landing must perform the following calculation on the Fee Payment section of the Fee Submission Form: Subtract from the total annual fee amount the total of all pre-payments made (if any) to NMFS and any credits held by NMFS that are applicable to that year's total IFQ cost recovery fees, and record the result as the balance of the fee amount due.

(D) *Reporting Period.* The reporting period of the IFQ Fee Submission Form shall extend from January 1 to December 31 of the year prior to the January 31 due date described in § 679.5(l)(7)(ii)(B).
