SUPPLEMENTARY INFORMATION: The CHGME PP, as authorized by section 340E of the Public Health Service Act (42 U.S.C. 256e) (the Act), provides funds to children's hospitals that operate graduate medical education (GME) programs. Pub. L. 106-310 amended the CHGME PP statute to continue the program through Federal fiscal year (FFY) 2005.

On September 25, 2002, the Secretary published a notice in the **Federal Register** (67 FR 60241) clarifying hospital eligibility criteria for the CHGME PP. That notice also sought public comments on proposals for (1) establishing a methodology to determine direct medical education (DME) and IME payments during the withholding and reconciliation processes stipulated in the CHGME PP statute; (2) updating the wage index used in the calculation of IME payments; (3) disseminating CHGME PP data; and (4) auditing.

During the comment period, the Department received comments from six interested parties, including hospitals and professional associations. The Secretary thanks the respondents for the quality and thoroughness of their comments. As a result of these comments, the Department has made revisions and clarifications in this final notice. The comments and Department's responses to the comments, as well as the final rules are set forth below. Subsequent to the publication of this notice, CHGME PP policies will be codified.

As indicated in the September 25 **Federal Register** notice, an updated listing of children's hospitals potentially eligible to participate in the CHGME PP will be posted on the CHGME PP Web site (<http://bhpr.hrsa.gov/childrenshospitalgme>), during the third quarter of each year.
