AGENCY: Federal Emergency

ACTION: Final rule.

SUMMARY: This rule identifies
communities participating in the
National Flood Insurance Program
(NFIP) and suspended from the NFIP.
These communities have applied to the

participation in the program authorizes
the sale of flood insurance to owners of

property located in the communities
listed.
EFFECTIVE DATES: The dates listed under
the column headed Effective Date of
Eligibility.
ADDRESSES: Flood insurance policies for
property located in the communities
listed can be obtained from any licensed
property insurance agent or broker
serving the eligible community, or from
the NFIP at: (800) 927-4661.
FOR FURTHER INFORMATION CONTACT:
Mike Grimm, Mitigation Division, 500 C

new construction from future flooding.
For a complete list of those
communities that participate in the
NFIP see [http://www.fema.gov/fema/

Flood Insurance Rate Map (FIRM). The
date of the flood map, if one has been
published, is indicated in the fourth
column of the table. In the communities
listed where a flood map has been
published, Section 202 of the Flood
Disaster Protection Act of 1973, as
amended, 42 U.S.C. 4016(a), requires
the purchase of flood insurance as a
condition of Federal or federally related
financial assistance for acquisition or
construction of buildings in the special
flood hazard areas shown on the map.
The Administrator finds that delayed
effective dates would be contrary to the
public interest and that notice and
public procedure under 5 U.S.C. 553(b)
are impracticable and unnecessary.
National Environmental Policy Act.
This rule is categorically excluded from
the requirements of 44 CFR Part 10,
Environmental Considerations. No
environmental impact assessment has
been prepared.
Regulatory Flexibility Act. The
Administrator certifies that this rule
will not have a significant economic
impact on a substantial number of small
entities in accordance with the
Regulatory Flexibility Act, 5 U. S. C. 601
et seq., because the rule creates no
additional burden, but lists those
