

a disposition other than euthanasia for those birds. If Service personnel are not available, you may euthanize endangered and threatened migratory birds without Service authorization when prompt euthanasia is warranted by humane consideration for the welfare of the bird.

(v) You may place nonreleasable live birds that are suitable for use in educational programs, foster parenting, research projects, or other permitted activities with persons permitted or otherwise authorized to possess such birds, with prior approval from your issuing Migratory Bird Permit Office.

(vi)(A) You may donate dead birds and parts thereof, except threatened and endangered species, and bald and golden eagles, to persons authorized by permit to possess migratory bird specimens or exempted from permit requirements under § 21.12.

(B) You must obtain approval from your issuing office before disposing of or transferring any live or dead endangered or threatened migratory bird specimen, parts, or feathers.

(C) You must send all dead bald and golden eagles, and their parts and feathers to: National Eagle Repository, Building 128, Rocky Mountain Arsenal, Commerce City, CO 80022. If your State requires you to notify State wildlife officers of a dead bald or golden eagle before sending the eagle to the Repository you must comply with State regulations. States may assume temporary possession of the carcasses for purposes of necropsy.

(D) Unless specifically required to do otherwise by the Service, you must promptly destroy all other dead specimens by such means as are necessary to prevent any exposure of the specimens to animals in the wild.

(vii) With authorization from your issuing Migratory Bird Permit Office, you may hold a nonreleasable bird longer than 180 days for the purpose of fostering juveniles during their rehabilitation. You may also use birds you possess under an educational permit to foster juveniles.

(viii) You may possess a reasonable number of feathers for imping purposes, based on the numbers and species of birds for which you regularly provide care.

(ix) You may draw blood and take other medical samples for purposes of the diagnosis and recovery of birds under your care, or for transfer to authorized facilities conducting research pertaining to a contagious disease or other public health hazard.

(x) You may conduct necropsies on dead specimens in your possession, except that you must obtain approval

from your Regional Migratory Bird Permit Office before conducting necropsies on threatened or endangered species.

(xi) This permit does not confer ownership of any migratory bird. All birds held under this permit remain under the stewardship of the U.S. Fish and Wildlife Service.

(5) *Notification to the U.S. Fish and Wildlife Service.*

(i) You must notify your issuing Migratory Bird Permit Office within 24 hours of acquiring a threatened or endangered migratory bird species, or bald or golden eagle, whether live or dead. You may be required to transfer these birds to another facility designated by the Service.

(ii) You must immediately notify the local U.S. Fish and Wildlife Service Law Enforcement Office if you have reason to believe a bird has been poisoned, electrocuted, shot, or otherwise subjected to criminal activity. Contact information for your local Service Law Enforcement office is listed on your permit, or you can obtain it on the Internet at <http://offices.fws.gov>.

(iii) If the sickness, injury, or death of any bird is due or likely due to avian virus, or other contagious disease or public health hazard, you must notify and comply with the instructions given by the State or local authority that is responsible for tracking the suspected disease or hazard in your location, if that agency is currently collecting such information from the public.

(6) You must maintain a working relationship with a licensed veterinarian. If your working relationship with your original cooperating veterinarian is dissolved, you must establish an agreement within 30 days with another licensed veterinarian to provide medical services to the birds in your care, and furnish a copy of this agreement to the issuing office.

(7) *Recordkeeping.* You must maintain complete and accurate records of all migratory birds that you receive, including for each bird the date received, type of injury or illness, disposition, and date of disposition. You must retain these records for 5 years following the end of the calendar year covered by the records.

(8) *Annual report.* You must submit an annual report that includes the information required by paragraph (e)(7) for the preceding calendar year to your issuing Migratory Bird Permit Office by the date required on your permit. You may complete Service Form 3–202–4, or submit your annual report from a database you maintain, provided your

report contains all, and only, the information required by Form 3–202–4.

(9) At the discretion of the Regional Director, we may stipulate on the face of your permit additional conditions compatible with the permit conditions set forth in this section, to place limits on numbers and/or types of birds you may possess under your permit, to stipulate authorized location(s) for your rehabilitation activities, or otherwise specify permitted activities, based on your experience and facilities.

(f) *How does this permit apply to oil and hazardous waste spills?* Prior to entering the location of an oil or hazardous material spill, you must obtain authorization from the U.S. Fish and Wildlife Service Field Response Coordinator or other designated Service representative and obtain permission from the On-Scene Coordinator. All activities within the location of the spill are subject to the authority of the On-Scene Coordinator. The U.S. Fish and Wildlife Service is responsible for the disposition of all migratory birds, dead or alive.

(1) Permit provisions in oil or hazardous material spills. (i) In addition to the rehabilitation permit provisions set forth in paragraph (b) of this section, when under the authority of the designated U.S. Fish and Wildlife Service representative this permit further authorizes you to temporarily possess healthy, unaffected birds for the purpose of removing them from imminent danger.

(ii) This permit does not authorize salvage of dead migratory birds. When dead migratory birds are discovered, a Service law enforcement officer must be notified immediately in order to coordinate the handling and collection of evidence. Contact information for your local Service Law Enforcement office is listed on your permit and on the Internet at <http://offices.fws.gov>. The designated Service representative will have direct control and responsibility over all live migratory birds, and will coordinate the collection, storage, and handling of any dead migratory birds with the Service's Division of Law Enforcement.

(iii) You must notify your issuing Migratory Bird Permit Office of any migratory birds in your possession within 24 hours of removing such birds from the area.

(2) Conditions specific to oil and hazardous waste spills. (i) *Facilities.* Facilities used at the scene of oil or hazardous waste spills may be temporary and/or mobile, and may provide less space and protection from noise and disturbance than facilities authorized under paragraph (e)(1) of this
