Payette National Forest, Idaho; Lick Timber Sale

AGENCY: Forest Service, USDA.

ACTION: Notice of cancellation of an environmental impact statement.

SUMMARY: On July 10, 2002, the USDA Forest Service published in the **Federal Register** (67 FR 45699) a Notice of Intent (NOI) to prepare an environmental impact statement (EIS) for the Lick Timber Sale project on the Council Ranger District of the Payette National Forest. The Forest Service has conducted a scoping process, and as a result of initial environmental analysis, has reduced the scope and scale of the project. The reconfigured proposed action is appropriate for analysis in an environmental assessment (EA) instead of an EIS. Therefore, an EIS will not be prepared, and the NOI is hereby canceled.

Baht Environmental Impact Statement

AGENCY: Forest Service, USDA.

ACTION: Notice of intent to prepare an Environmental Impact Statement.

SUMMARY: The Department of Agriculture, Forest Service, will prepare an Environmental Impact Statement (EIS) on a proposal to harvest timber in the Baht Timber Sale project area, Wrangell Ranger District, Tongass National Forest. The proposed action is to harvest an estimated 15 million board feet (31,000 ccf) on approximately 1150 acres with about 6 miles of new road construction. The range of alternatives being developed to respond to the significant issues, besides no-action, will likely be 8-33 million board feet (16,000-67,000 ccf) of timber on an estimated 500-1300 acres in one or more timber sales. The purpose and need of the timber sale is to: contribute to the production of a sustained yield of timber and mix of other resource activities from the Tongass National Forest, consistent with Forest Plan Standards and Guidelines; seek to provide a timber supply sufficient to meet the annual and planning cycle market demand for Tongass National Forest timber; provide a diversity of opportunities for resource uses that contribute to the economies of Southeast Alaska; and support a wide range of natural resource employment opportunities within Southeast Alaska's communities. The Tongass Forest Supervisor will decide on whether or not to harvest timber from this area, and if so, how this timber would be harvested. The decision will be documented in a Record of Decision based on the information disclosed in the EIS and the goals, objectives and desired future conditions as stated in the Forest Plan.

DATES: Opportunities for comment are available throughout the process. Individuals interested in receiving a scoping package should contact us within 30 days of the publication of this NOI. Comments will be most helpful if received by December 12, 2003. Additional opportunities for comment will be provided after release of the Draft EIS, anticipated in early spring of 2004.

ADDRESSES: Please send written comments to Wrangell Ranger District; Attn: Baht EIS; PO Box 51, Wrangell, AK 99929.
