AGENCY: Office of the Secretary, HUD.

ACTION: Public notice of the granting of regulatory waivers from April 1, 2003, through June 30, 2003.

SUMMARY: Section 106 of the Department of Housing and Urban Development Reform Act of 1989 (the HUD Reform Act) requires HUD to publish quarterly **Federal Register** notices of all regulatory waivers that HUD has approved. Each notice covers the quarterly period since the previous **Federal Register** notice. The purpose of this notice is to comply with the requirements of section 106 of the HUD Reform Act. This notice contains a list of regulatory waivers granted by HUD during the period beginning on April 1, 2003, and ending on June 30, 2003.

SUPPLEMENTARY INFORMATION: Section 106 of the HUD Reform Act added a new section 7(q) to the Department of Housing and Urban Development Act (42 U.S.C. 3535(q)), which provides that:

1. Any waiver of a regulation must be in writing and must specify the grounds for approving the waiver;
2. Authority to approve a waiver of a regulation may be delegated by the Secretary only to an individual of Assistant Secretary or equivalent rank, and the person to whom authority to waive is delegated must also have authority to issue the particular regulation to be waived;
3. Not less than quarterly, the Secretary must notify the public of all

waivers of regulations that HUD has approved, by publishing a notice in the **Federal Register**. These notices (each covering the period since the most recent previous notification) shall:

- a. Identify the project, activity, or undertaking involved;
- b. Describe the nature of the provision waived, and the designation of the provision;
- c. Indicate the name and title of the person who granted the waiver request;
- d. Describe briefly the grounds for approval of the request; and
- e. State how additional information about a particular waiver-grant action may be obtained.

Section 106 of the HUD Reform Act also contains requirements applicable to waivers of HUD handbook provisions that are not relevant to the purpose of this notice.

This notice follows procedures provided in HUD's Statement of Policy on Waiver of Regulations and Directives issued on April 22, 1991 (56 FR 16337). This notice covers waivers of regulations granted by HUD from April 1, 2003, through June 30, 2003. For ease of reference, the waivers granted by HUD are listed by HUD program office (for example, the Office of Community Planning and Development, the Office of Housing, the Office of Public and Indian Housing, etc.). Within each program office grouping, the waivers are listed sequentially by the regulatory section of title 24 of the Code of Federal Regulations (CFR) that is being waived. For example, a waiver-grant action involving the waiver of a provision in 24 CFR part 58 would come before a waiver of a provision in 24 CFR part 570.

Where more than one regulatory provision is involved in the grant of a particular waiver request, the action is listed under the section number of the first regulatory requirement that appears in 24 CFR and that is being waived as part of the waiver-grant action. For example, a waiver of both § 58.73 and § 58.74 would appear sequentially in the listing under § 58.73.

Waiver-grant actions involving the same initial regulatory citation are in time sequence beginning with the earliest-dated waiver-grant action.

Should HUD receive additional reports of waiver actions taken during the period covered by this report before the next report is published, the next updated report will include these earlier actions, as well as those that occurred during July 1, 2003, through September 30, 2003.

Accordingly, information about approved waiver requests pertaining to

HUD regulations is provided in the Appendix that follows this notice.

Dated: October 30, 2003.

Alphonso Jackson,
Deputy Secretary.

Project/Activity: Ramsey County, MN, Community Development Block Grant (CDBG) Program.

Waiver Request: A waiver to allow Ramsey County to provide CDBG funds to Beaver Creek Carriage Homes for the rehabilitation of the exterior of the buildings in the complex.

Nature of Requirement: Section 570.208(a)(3) provides that eligible activities carried out for the purpose of providing or improving permanent residential structures will be considered to benefit low- and moderate-income households to the extent they are occupied by such households.

Granted By: Nelson A. Bregon, General Deputy Assistant Secretary for Community Planning and Development.

Date Granted: June 26, 2003.

Reasons Waived: Information provided by Ramsey County concludes that after conducting a survey of the residents in the complex, from the data collected, more than 51 percent of the units in these multiple residential buildings, that are not rental buildings, are occupied by low- and moderate-income households. Therefore, HUD allowed a waiver under the authority of 24 CFR 5.110 based on a determination of good cause to waive the requirement
