

OUTCOME: The Department of Health and Environmental Control will ensure that all eligible infants and toddlers and their families have available appropriate early intervention services in accordance with Part C requirements through the development and implementation of an interagency comprehensive monitoring and general supervision system that includes a continuous improvement and focused monitoring process.

Goal 1: Monitoring policies, procedures, and instruments will identify compliance deficiencies and ensure these are corrected in a timely manner.

Goal 2: Ongoing technical assistance and training to public and private providers, administrators, paraprofessionals, and special instructors will be provided to ensure compliant provision of services to infants and toddlers with disabilities and their families.

Goal 3: Appropriate sanctions will be used when necessary to enforce correction of deficiencies.
