

submission. Before entering information in this field or block, make sure that it is not required to be entered in one of the specific fields or blocks listed in this supplement.

If you are submitting a Classification Request, use this field or block to explain why you believe the recommended ECCN that you entered in the ECCN field or block is appropriate. This explanation must contain an analysis of the item in terms of the technical control parameters specified in the appropriate ECCN, if any. Describe any ambiguities or deficiencies that could affect the accuracy of your recommended classification.

If additional space is necessary, submit an "attachment" to your SNAP+ submission or, if filing on paper, use the "Additional Information" block on the Form BIS-748P-A or B.

**Signature.** In SNAP+, electronically submitting an application, request, or notification operates as a signature. Paper forms must be manually signed in the designated block by the applicant or its duly authorized agent. The name and title of the person signing must be entered in the designated blocks. Rubber-stamped or electronic signatures are not acceptable. If the person signing is acting on behalf of an agent who is required under § 748.4(b)(2) of the EAR to have written authorization from the applicant, enter the agent's name in the "additional information" block.
