

hours. All OIG records are stored in locked safes and are accessible only to authorized personnel who have a need-to-know in conjunction with their official duties. Computerized listings are password protected.

RETENTION AND DISPOSAL:

Investigative Case files and Information Reports are maintained in the office of origin for two years after case closure and then transferred to the OIG DoD Headquarters for final preparation and final transfer to the Washington National Records Center where they are retained for 20 years and 10 years, respectively, and ultimately destroyed.

Those records which attract great public or judicial attention or document a historical development in the OIG DoD may be deemed permanent and transferred directly to the National Archives and Records Administration.

SYSTEM MANAGER(S) AND ADDRESS:

Director, Internal Operations
Directorate, Office of the Deputy
Inspector General for Investigations,
Defense Criminal Investigative Service,
Office of the Inspector General of the
Department of Defense, 400 Army Navy
Drive, Arlington, VA 22202-4704.

NOTIFICATION PROCEDURE:

Individuals seeking to determine whether information about themselves is contained in this system should address written inquiries to the Chief, Freedom of Information Act/Privacy Act Office, 400 Army Navy Drive, Arlington, VA 22202-4704.

Written requests should contain the individual's full name (including former names and aliases), and Social Security Number, current home address, telephone number, and the request must be signed.

RECORD ACCESS PROCEDURES:

Individuals seeking access to information about themselves contained in this system should address written inquiries to the Chief, Freedom of Information Act/Privacy Act Office, 400 Army Navy Drive, Arlington, VA 22202-4704.

Written requests should contain the individual's full name (including former names and aliases), and Social Security Number, current home address, telephone number, and the request must be signed.

CONTESTING RECORD PROCEDURES:

The OIG's rules for accessing records and for contesting contents and appealing initial agency determinations are published in 32 CFR part 312 or may be obtained from the system manager.

RECORD SOURCE CATEGORIES

Subjects and suspects of OIG investigations. Interview of witnesses, victims, and confidential sources. All types of records and information maintained by all levels of government, private industry, and non-profit organizations reviewed during the course of the investigation or furnished the OIG. Any other type of record deemed necessary to complete the OIG investigation.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

Parts of this system may be exempt pursuant to 5 U.S.C. 552a(j)(2) if the information is compiled and maintained by a component of the agency that performs as its principle function any activity pertaining to the enforcement of criminal laws.

An exemption rule for this record system has been promulgated in accordance with the requirements of 5 U.S.C. 553(b)(1), (2), and (3), (c) and (e) and published in 32 CFR part 312. For additional information contact the system manager.

BILLING CODE 5001-06-P

DEPARTMENT OF DEFENSE**Department of the Air Force****Request for Public Comment of Draft Preliminary Proposed Interface Revision (PPIRN) to L5 Civil Signal Interface Specification (IS)**

AGENCY: Department of the Air Force, DoD.

ACTION: Notice and request for review/comment of draft PPIRN-705-001.

SUMMARY: This notice informs the public that the Global Positioning System (GPS) Joint Program Office (JPO) has released the current draft of PPIRN-705-001 dated 23 Oct 03 to IS-GPS-705, Navstar GPS Space Segment/User Segment L5 Interfaces, for public review and comment. This PPIRN describes the improved clock and ephemeris (ICE) message for L5, a signal to be incorporated into the GPS system for the benefit of the civilian community. The draft PPIRN can be reviewed at the following Web site: <http://gps.losangeles.af.mil>. Click "System Engineering," then click "Public Interface Control Working Group (ICWG)". Hyperlinks to the PPIRN and review instructions are provided. The reviewer should save the PPIRN to a local memory location prior to opening and performing the review. All comments and their resolutions will be posted to the Web site.

ADDRESSES: Submit comments to SMC/GPERC, 2420 Vela Way, Suite 1467, El Segundo CA 90245-4659. A comment matrix is provided for your convenience at the web site and is the preferred method of comment submittal. Comments may be submitted to the following Internet address: smc.gperc@losangeles.af.mil. Comments may also be sent by fax to 1-310-363-6387.

DATES: The suspense date for comment submittal is December 12, 2003.

FOR FURTHER INFORMATION CONTACT: GPERC, GPS JPO System Engineering Division at 1-310-363-2883, or write to the address above.

SUPPLEMENTARY INFORMATION: The civilian and military communities use the Global Positioning System, which employs a constellation of 24 satellites to provide continuously transmitted signals to enable appropriately configured GPS user equipment to produce accurate position, navigation and time information.

Pamela D. Fitzgerald,

Air Force Federal Register Liaison Officer.
