619.202 Specific policies.

619.202-70 The Department of State Mentor-Protégé Program.

(a) *Purpose.* The Mentor-Protégé Program is designed to motivate and encourage firms to assist small businesses with business development, including small disadvantaged businesses, women-owned small businesses, HUBZone small businesses, veteran-owned small businesses and service-disabled veteran-owned small businesses. The program is also designed to improve the performance of DOS contracts and subcontracts, foster the establishment of long-term business relationships between small businesses and prime contractors, and increase the overall number of small businesses that receive DOS contract and subcontract awards. The program is limited to non-commercial item acquisitions.

(b) *Definitions.* The definitions of small business (SB), HUBZone small business concern (HUBZone), small disadvantaged business (SDB), women-owned small business (WOSB), veteran-owned small business (VOSB), and service-disabled veteran-owned small business (SDVOSB) are the same as found in FAR 2.101.

Mentor means a prime contractor that elects to promote and develop small business subcontractors by providing developmental assistance designed to enhance the business success of the protégé.

Protégé means a small business, HUBZone small business, small disadvantaged business, women-owned small business, veteran-owned small business, and service-disabled veteran-owned small business who is the recipient of developmental assistance pursuant to a mentor-protégé program.

(c) *Non-affiliation.* For purposes of the Small Business Act, a protégé firm

is not considered an affiliate of a mentor firm solely because the protégé firm is receiving developmental assistance from the mentor firm under the program.

(d) *General policy.* (1) Eligible business prime contractors not included on the "List of Parties Excluded from Federal Procurement and Nonprocurement Programs" that are approved as mentor firms may enter into agreements with eligible protégés.

(2) A firm's status as a protégé under a DOS contract shall not have an effect on the firm's ability to seek other prime contracts or subcontracts.

(e) *Incentives for prime contractor participation.* (1) Under the Small Business Act (15 U.S.C. 637(d)(4)(E)), DOS is authorized to provide appropriate incentives to encourage subcontracting opportunities for small businesses consistent with the efficient and economical performance of the contract. This authority is limited to negotiated acquisitions.

(2) Before awarding a contract that requires a subcontracting plan, the existence of a mentor-protégé arrangement, and performance, if any, under an existing arrangement, may be considered by the contracting officer in:

(i) Evaluating the quality of a proposed subcontracting plan under FAR 19.704-5; and,

(ii) Assessing the prime contractor's compliance with the subcontracting plans submitted in previous contracts as a factor in determining contractor responsibility under FAR 19.705-5(a)(1).

(3) A non-monetary award may be presented annually (or as often as appropriate) to the mentoring firm providing the most effective developmental support of a protégé. The Mentor-Protégé Program Manager will recommend an award winner to the Operations Director, A/SDBU.

(f) *Measurement of program success.* The success of the DOS Mentor-Protégé Program will be measured by:

(1) The increase in the number and dollar value of contracts awarded to protégé firms under DOS contracts from the date the protégé enters the program;

(2) The increase in the number and dollar value of contracts and subcontracts awarded to the protégé under other Federal agencies and commercial contracts; and,

(3) The developmental assistance provided by the mentor firm and the resulting increase in the technical, managerial, financial or other capabilities of the protégé firm, as reported by the protégé.

(g) *Eligibility of mentor firms.* A mentor firm:

(1) May be either a large or small business;

(2) Must be eligible for award of U.S. Government contracts;

Mentors may rely in good faith on written representations by potential protégés that they meet the specified eligibility requirements. SDB status eligibility and documentation requirements are determined by FAR 19.304. HUBZone status eligibility and documentation requirements are determined by FAR 19.1303.

(3) Protégés may have multiple mentors. Protégés participating in mentor-protégé programs in addition to DOS's program should maintain a system for preparing separate reports of mentoring activity for each agency's program.

(i) *Selection of protégé firms.* (1) Mentor firms are solely responsible for selecting protégé firms. The mentor is encouraged to identify and select a broad base of protégé firms whose core competencies support DOS's mission.
